Vriddhi in collaboration with TRDR Inc will hold a stock trading competition. Registered participants will trade real time using virtual money on the bourses. With this hands on experience, they would not only be aware of the intricacies of the stock market, but they will also get acquainted on how trading happens. During the course of one month, weekly sessions will be conducted where experts will address the contestants and students about different aspects of stock trading. The competition is hosted through trdr.club which is a web based platform. On registration, the contestants will have access to INR. 5,00,000 virtual money for trading.

INR 100
Registration fee per participant

What's in it for students?

1. Attractive cash prizes to be won
2. Internship offers for top five contestants
