

FINE ARTS CLUB
SCHOOL OF ENGINEERING
DAYANANDA SAGAR UNIVERSITY

FACULTY COORDINATORS:

Prof. MANASA K R (CSE)

Prof. SHARVARI J N (CSE)

The Fine Arts Club of the School of Engineering, DSU is an amalgamation of art such as painting, sketching, cooking etc. The club hosted numerous events during the academic year 2019-2020. The first event organized by the club was the Cooking without Fire competition on 24th August 2019. The participants were enthusiastic and presented a wide range of lip smacking food which mesmerised the judges. The top two teams which cooked the best tasting food were awarded at the end of the event.

PHOTOGRAPHY COMPETITION

(11th Nov 2019)

The club organized a photography competition and an art exhibition which brought out all the talents of the School of Engineering in different art forms such as sketching, canvas painting, water colors etc.

CANVAS PAINTING WORKSHOP

(8th February 2020)

The club in coordination with Ms. Nimisha from the final year of Electronics and Communication Engineering organized a canvas painting workshop on 8th February 2020 . The event brought together all the interested students and a positive response was received at the end of the workshop.

SKETCHING, WATER COLOR PAINTING AND FACE PAINTING COMPETITIONS

(25th February 2020)

The club conducted a Mehendi designing competition. A festive mood was created during the competition and the participants thoroughly enjoyed it throughout.

FACE PAINTING COMPETITION

The club also conducted on 10th March 2020. The students took part in good numbers and amazed the judges with their work.
