Stress Level : Mild **Learner Type :** Fast

Meeting Agenda : Mentor meeting

Issues Discussed : Stress of Travelling

Parent's Contact No. : 9686179189

Solution for the problem :

Student was explained that the travel may be difficult initially, and almost 60% of students going to college live far away from their homes own their own, for their own benefit and achievement. Later travel will be enjoyed and give them a taste of freedom and later will be habitual of it. Also an other option is living a hostel life.

27/11/2024	Issue: So the major issue which I faced was depression as I lost many of my relatives in a year and the pain of loosing them was unbearable and due to this reason I have missed many of my classes and it was very hard on me. So as we the the meeting with my mentor we spoke and she spoke about my absence in the class and she was concerned about it. So in the meet my mentor and I had personal conversation and she spoke about the time what have I got in the college will not come back and I know loosing them is very hard. My mentor was so supportive and it helped me with my depression and from then on I was attending the college regularly.
