**KALGIDHAR
TRUST** BARU SAHIB. 1982

6th Nov 2019

Re: Selfless love, interfaith, and service to humanity and mankind

Dear Sir/Madam

On the behalf of the entire mankind, kindly accept our **heartfelt greetings on the occasion of the 550th Birth Anniversary of Sri Guru Nanak Dev Ji, the founder of Sikh Faith.** Blessed are all of us, who shall in our mortal forms witness this auspicious day of *12 November 2019.*

As my solemn duty and humble joy to share with you my learnings in this humble journey of 93 years, I would like to extend my gratitude towards the teachings I have imbibed over time with one and all.

When a human being comes into existence, he has the options to weave his life and destiny through his association with the Supreme power. The real aim of a human life is to strive and imbibe the values in a manner that helps him achieve his goal with wisdom, willingness, fortitude, strength, and honesty. Keeping this aim in mind, he shall carry out all his worldly responsibilities with utmost toil and virtues.

God constantly blesses one and all with eternal love, but the human mind mired in ego fails to realise the divinity within oneself. Teachings from across myriad faiths take us to the same destination - the realization of the ultimate truth and reality.

Taking reference from the above, kindly allow us to present the book '**Sikh Faith - an Epitome of Inter-Faith for Divine Realisation**'.

We hope that you find the book of tremendous value. This resource can be used as a reference material for any information regarding or questions on, the Sikh Faith that you may have.

Please feel free to share your views and put forth any questions at www.barusahib.org/sikhfaith or place a request for more copies, if required. We look forward to hearing from you.

With the blessings of 'One in all and all in One'

Sincerely,

Iqbal Singh

Enriching

To,
 To
 Dayanand Sagar University,
 Shavige Malleshwara Hills,
 Kumaraswamy Layout,
 Bangalore-560 078, Karnataka.

To mark the completion of the 150th birth anniversary of our founder, Shri Laxmanrao Kirloskar, we plan to donate the book - 'The Man Who Made Machines', his autobiography to various schools across India.

The biography encapsulates the thoroughly inspiring life of the legend, covering his rise from a drawing teacher to one of India's leading industrialists. Among the pioneers of the industrial and agricultural revolution in the country, Laxmanrao is credited for introducing many engineering products for the first time in India.

The book gives a deep insight into how Laxmanrao, apart from being a visionary, was also a social reformer who kept the 'human-welfare' at the centre of all his endeavours. More importantly, the story of Laxmanrao gives us an overview about his extraordinary determination and will-power to convert any adversity into an opportunity, without getting bogged down by the situation. It could play an essential role in encouraging students to believe in themselves and their dreams and 'Never Give Up'. It could teach them how there is no shortcut to success and the amount of efforts that you need to take to become successful in life.

Laxmanrao was a 'karmayogi' who used every second of his life for a good cause and so we felt that the book on his life, if used for a cause as noble as imparting moral teachings and values among students, will serve its right purpose - Enriching Lives.

Best regards,

Sanjay Kirloskar
