INDEPENDENCE REQUIREMENTS FOR NEW JOINERS

What is independence and why is it so important?

Do the independence rules apply to me?

When is my family subject to the rules?

What kinds of investments are prohibited for a 'Member of the Firm'?

What kinds of loans are acceptable?

What Is Independence and Why Is It so Important?

Auditor Independence avoids interests and relationships that might impair objectivity. The SEC, PCAOB, IESBA, AICPA, ICAI and other regulators/oversight bodies have developed basic standards for determining independence. These standards apply to our audit clients.

Do the Independence Rules Apply to Me?

Independence rules apply to all employees, directors and partners of the Firm. However not all of the rules apply to everyone; so it is necessary to understand the independence rules that apply to you.

Please note that all client-facing personnel in the Firm, their spouses and dependents are governed by the independence policies of the Firm that include restrictions on investments in, and loans to or from, restricted entities. Investments include shares, debentures, bonds, mutual funds, portfolio management schemes, etc. In addition you may have restrictions on other financial interests with restricted entities on insurance policies, credit cards, loans, brokerage and bank accounts and spouse and dependent benefit plans. New Joiners should be in compliance with the Independence policies within 14 days of joining.

Two important technical terms identify those persons who need to maintain independence with respect to the Firm's clients. They are ' **Member of the Firm** ' and ' **Covered Person** ' . As you will see, all Covered Persons are also Members of the Firm, but all Members of the Firm may or may not be Covered Persons.

'**Member of the Firm**' - You are a Member of the Firm if you are a partner or a director or a client facing professional, including senior manager, manager or employee or any other professional who directly markets services, or who consults with an engagement team on a client-specific matter. This includes people who do not face clients directly but deal with client related data from afar. The only exception to these rules are staff who join Administration, Finance function etc. below the level of Director.

If you are a Member of the Firm you will be restricted from investing in, and receiving loans from or making loans to, restricted entities. Members of the Firm may invest in mutual funds if they are not Covered Persons.

Please note that the term '**Member of the Firm**' also includes your immediate family members (spouse and dependents). Details are under - **When Is My Family Subject to the Rules**?

'**Covered Person**' - You are a Covered Person with respect to a specific client if you (1) participate in the audit engagement, (2) are in the Firm's **Chain of Command** with respect to the audit engagement; (3) are a partner, director or professional employee having managerial responsibilities who (a) has provided 10 hours or more of non-audit professional services to the audit client for the period beginning on the date such services are first provided and ending on the date of the auditors' report on the financial statements for the fiscal year during which those services are provided, or (b) expects to provide any non-audit professional services to the audit client on a recurring basis; or (4) are a partner or client facing director in the same ' **office** ' in which the lead audit engagement partner primarily practices in connection with the audit engagement at an issuer level. The term 'Covered Person' also includes immediate family members, as explained in the section titled 'When Is My Family Subject to the Rules?' The Covered Person concept applies to bank accounts, brokerage accounts, insurance products, credit cards, housing and student loans, employment relationships of your family, investments of your spouse or dependents in their employee benefit plans of restricted entities, and investment in mutual funds.

When Is My Family Subject to the Rules?

If you are a Member of the Firm or a Covered Person, your spouse, spousal equivalent and dependents * , whether or not related, are also considered Members of the Firm or Covered Persons. These individuals are called ' **immediate family members** ' in the independence rules and they are subject to the same independence rules that apply to you. This means their investments, loans, all bank accounts, current and savings accounts, brokerage accounts, insurance policies, credit card balances, spouse or dependent employee benefit plans may affect your independence.

* Dependents are persons and/or their spouses who received more than 50% of their financial support in the past 12 months from you.

In certain instances your ' **close family members** ' —immediate family members plus your non-dependent parents, non-dependent children and siblings—are also subject to the independence rules. A close family member's employment with an audit client in an accounting role or a financial reporting oversight role, a material and known investment in, or control of an audit client, may impair the Firm's independence.

What Kinds of Investments Are Prohibited For a 'Member of the Firm'?

As a Member of the Firm, you (and your immediate family members) generally may not own (or be committed to acquire) any direct or material indirect financial interest in a restricted entity. Examples of financial interests include equity and preference shares, debentures, bonds and deposits, shares in a mutual fund, partnership units, stock rights, options or warrants to acquire an interest in an entity, or rights of participation such as puts, calls, or straddles.

In addition:

- If you own or your immediate family member owns shares in a mutual fund that is an audit client or in a non-client mutual fund that is advised, sponsored, or managed by an audit client or a subsidiary of an audit client for which you are a Covered Person, you have a direct financial interest in that client, and that is prohibited.

- You are not permitted to join an investment club, or participate in a Portfolio Management Scheme. Similarly, you may not invest in controlled joint ventures or partnerships unless those entities follow the Firm's independence rules with respect to their investments.

- Beneficial interests in trusts and interests in retirement plans or stock option plans of former employers are subject to the restrictions applicable to financial interests.

What Kinds of Loans Are Acceptable?

If you are a Covered Person, you and your immediate family members may not obtain loans from SEC financial institution audit clients for which you are a Covered Person. However, certain types of loans are permitted and other loans already in existence may be grandfathered. Personal loans from SEC audit clients of the Firm are not permitted for all Covered Persons. These loans cannot be grandfathered.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

Additional pages may be attached, as appropriate to identify other Excluded Developments, if any. Kyndryl requires you to disclose Excluded Developments in this Paragraph 5. If you wish to interest Kyndryl in any Excluded Development, you may contact the Intellectual Property and Licensing Department at Corporate Headquarters, which will provide you with instructions for submitting it to Kyndryl.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

8. I agree that Kyndryl, its services providers and other third parties authorized by Kyndryl will collect, use, store, make available to those who have a need-to-know, and otherwise process my personal information to establish, maintain and terminate my employment relationship with Kyndryl and for other legitimate business purposes, anywhere in the world. I agree to comply with all Kyndryl policies and practices regarding use of social computing tools and I understand that I am personally responsible for the content I post on any social computing tools (whether on Kyndryl ’s internal platforms or on third party sites) and that any information I post, including any of my personal information, may be made broadly available to others, potentially inside or outside Kyndryl, who have access to these tools.

9. The term “subsidiaries,” as used in this Agreement, includes any entity owned or controlled, directly or indirectly, by Kyndryl.

10. This Agreement supersedes all previous oral or written communications, representations, understandings, undertakings, or agreements relating to the subject matter hereof, except as expressly agreed otherwise by Kyndrylin writing upon my hire or transfer of employment to Kyndryl. Any waiver of a term in this Agreement and any amendment to this Agreement may only be made in a writing signed by the Senior Vice President of Human Resources for Kyndryl and myself.

11. This Agreement shall be governed by the laws of India. All disputes shall be subject to exclusive jurisdiction of courts in Bengaluru, Karnataka. California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

If you wish to interest Kyndryl in any Excluded Development, you may contact the Intellectual Property and Licensing Department at Corporate Headquarters, which will provide you with instructions for submitting it to Kyndryl.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

8. I agree that Kyndryl, its services providers and other third parties authorized by Kyndryl will collect, use, store, make available to those who have a need-to-know, and otherwise process my personal information to establish, maintain and terminate my employment relationship with Kyndryl and for other legitimate business purposes, anywhere in the world. California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

If you wish to interest Kyndryl in any Excluded Development, you may contact the Intellectual Property and Licensing Department at Corporate Headquarters, which will provide you with instructions for submitting it to Kyndryl.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

8. I agree that Kyndryl, its services providers and other third parties authorized by Kyndryl will collect, use, store, make available to those who have a need-to-know, and otherwise process my personal information to establish, maintain and terminate my employment relationship with Kyndryl and for other legitimate business purposes, anywhere in the world. California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. Objective:

To define guidelines on the professional code of conduct and work ethics in the office premises and/or at client locations.

Eligibility/Applicability:

All Mindtree Minds, Mindtree's clients, vendors, partners etc.

Code of Conduct :

The policy details various scenarios under which Code of Conduct is monitored.

1) Personal Interest v/s Mindtree's interest

In day-to-day work scenarios, you could face situations where a possible course of action would advance your personal interests at the expense of the company. In such situations, you are expected to put the best interests of the company first. When in doubt, please check with People Function and/or your Manager.

2) Use of proprietary or confidential information of third party

You should not disclose to Mindtree, bring onto Mindtree's premises or induce Mindtree to use any confidential information that belongs to anyone other than Mindtree or yourself. You are instructed neither to make use of any confidential or proprietary information of a third party in the course of performing your job duties or services, nor include or incorporate any such information with or into any product or work that you create, design, or develop for or on behalf of Mindtree in the course of performing your duties or services unless you have the prior written consent of Mindtree. Reference to 'Mindtree' above includes Mindtree's clients, vendors and partners as well.

3) Office for Profit

Without the consent of Mindtree, you are prohibited from initiating or accepting any work as an Employee, consultant, adviser or as a member of board of directors of any other company. If you wish to seek approval for such outside work, please contact your People Function representative.

4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than $25. If you receive any gifts from a vendor with a value greater than $25, or if a vendor engages in a pattern of offering you small gifts, please inform your reporting manager or ask People Function for guidance.

5) Using Mindtree's time and assets

You should not use Mindtree's or its customers' time or any of its assets for performing outside or personal work. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

In the event Mindtree receives information suggesting that you may have engaged in any of the conduct described above, People Function personnel may require you to undergo necessary tests/assessments/inquiry as appropriate. You will be expected to cooperate in any investigation People Function or Mindtree management conducts or directs. Mindtree reserves the right to test Mindtree Minds for drug and alcohol use for cause or when a client requires testing.

Your employment with Mindtree is subject to your acceptance of this Code of Conduct Procedure. All Mindtree Minds are required to read, understand and sign the Code of Conduct procedures when they are hired.

Objective:

To define guidelines on the professional code of conduct and work ethics in the office premises and/or at client locations.

Eligibility/Applicability:

All Mindtree Minds, Mindtree's clients, vendors, partners etc.

Code of Conduct :

The policy details various scenarios under which Code of Conduct is monitored.

1) Personal Interest v/s Mindtree's interest

In day-to-day work scenarios, you could face situations where a possible course of action would advance your personal interests at the expense of the company. In such situations, you are expected to put the best interests of the company first. When in doubt, please check with People Function and/or your Manager.

2) Use of proprietary or confidential information of third party

You should not disclose to Mindtree, bring onto Mindtree's premises or induce Mindtree to use any confidential information that belongs to anyone other than Mindtree or yourself. You are instructed neither to make use of any confidential or proprietary information of a third party in the course of performing your job duties or services, nor include or incorporate any such information with or into any product or work that you create, design, or develop for or on behalf of Mindtree in the course of performing your duties or services unless you have the prior written consent of Mindtree. Reference to 'Mindtree' above includes Mindtree's clients, vendors and partners as well.

3) Office for Profit

Without the consent of Mindtree, you are prohibited from initiating or accepting any work as an Employee, consultant, adviser or as a member of board of directors of any other company. If you wish to seek approval for such outside work, please contact your People Function representative.

4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than $25. If you receive any gifts from a vendor with a value greater than $25, or if a vendor engages in a pattern of offering you small gifts, please inform your reporting manager or ask People Function for guidance.

5) Using Mindtree's time and assets

You should not use Mindtree's or its customers' time or any of its assets for performing outside or personal work. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

In the event Mindtree receives information suggesting that you may have engaged in any of the conduct described above, People Function personnel may require you to undergo necessary tests/assessments/inquiry as appropriate. You will be expected to cooperate in any investigation People Function or Mindtree management conducts or directs. Mindtree reserves the right to test Mindtree Minds for drug and alcohol use for cause or when a client requires testing.

Objective:

To define guidelines on the professional code of conduct and work ethics in the office premises and/or at client locations.

Eligibility/Applicability:

All Mindtree Minds, Mindtree's clients, vendors, partners etc.

Code of Conduct :

The policy details various scenarios under which Code of Conduct is monitored.

1) Personal Interest v/s Mindtree's interest

In day-to-day work scenarios, you could face situations where a possible course of action would advance your personal interests at the expense of the company. In such situations, you are expected to put the best interests of the company first. When in doubt, please check with People Function and/or your Manager.

2) Use of proprietary or confidential information of third party

You should not disclose to Mindtree, bring onto Mindtree's premises or induce Mindtree to use any confidential information that belongs to anyone other than Mindtree or yourself. You are instructed neither to make use of any confidential or proprietary information of a third party in the course of performing your job duties or services, nor include or incorporate any such information with or into any product or work that you create, design, or develop for or on behalf of Mindtree in the course of performing your duties or services unless you have the prior written consent of Mindtree. Reference to 'Mindtree' above includes Mindtree's clients, vendors and partners as well.

3) Office for Profit

Without the consent of Mindtree, you are prohibited from initiating or accepting any work as an Employee, consultant, adviser or as a member of board of directors of any other company. If you wish to seek approval for such outside work, please contact your People Function representative.

4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than $25. If you receive any gifts from a vendor with a value greater than $25, or if a vendor engages in a pattern of offering you small gifts, please inform your reporting manager or ask People Function for guidance.

5) Using Mindtree's time and assets

You should not use Mindtree's or its customers' time or any of its assets for performing outside or personal work. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

In the event Mindtree receives information suggesting that you may have engaged in any of the conduct described above, People Function personnel may require you to undergo necessary tests/assessments/inquiry as appropriate. You will be expected to cooperate in any investigation People Function or Mindtree management conducts or directs. Mindtree reserves the right to test Mindtree Minds for drug and alcohol use for cause or when a client requires testing.

Code of Conduct

Summary:

Mindtree Minds are expected to follow a professional code of conduct and work ethics. The intent of this document is to lay the ground rules for professional and disciplined behavior in the office premises and/or at client locations. Mindtree cannot anticipate all situations that may arise during your employment. When in doubt about an appropriate course of conduct, please contact your supervisor or a People Function representative.

Your employment with Mindtree is subject to your acceptance of this Code of Conduct Procedure. All Mindtree Minds are required to read, understand and sign the Code of Conduct procedures when they are hired.

Objective:

To define guidelines on the professional code of conduct and work ethics in the office premises and/or at client locations.

Eligibility/Applicability:

All Mindtree Minds, Mindtree's clients, vendors, partners etc.

Code of Conduct :

The policy details various scenarios under which Code of Conduct is monitored.

1) Personal Interest v/s Mindtree's interest

In day-to-day work scenarios, you could face situations where a possible course of action would advance your personal interests at the expense of the company. In such situations, you are expected to put the best interests of the company first. When in doubt, please check with People Function and/or your Manager.

2) Use of proprietary or confidential information of third party

You should not disclose to Mindtree, bring onto Mindtree's premises or induce Mindtree to use any confidential information that belongs to anyone other than Mindtree or yourself. You are instructed neither to make use of any confidential or proprietary information of a third party in the course of performing your job duties or services, nor include or incorporate any such information with or into any product or work that you create, design, or develop for or on behalf of Mindtree in the course of performing your duties or services unless you have the prior written consent of Mindtree. Reference to 'Mindtree' above includes Mindtree's clients, vendors and partners as well.

3) Office for Profit

Without the consent of Mindtree, you are prohibited from initiating or accepting any work as an Employee, consultant, adviser or as a member of board of directors of any other company. If you wish to seek approval for such outside work, please contact your People Function representative.

4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than $25. If you receive any gifts from a vendor with a value greater than $25, or if a vendor engages in a pattern of offering you small gifts, please inform your reporting manager or ask People Function for guidance.

5) Using Mindtree's time and assets

You should not use Mindtree's or its customers' time or any of its assets for performing outside or personal work. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

In the event Mindtree receives information suggesting that you may have engaged in any of the conduct described above, People Function personnel may require you to undergo necessary tests/assessments/inquiry as appropriate. You will be expected to cooperate in any investigation People Function or Mindtree management conducts or directs. Mindtree reserves the right to test Mindtree Minds for drug and alcohol use for cause or when a client requires testing.

You must keep your desk space area clean at all times and should put away any papers, books, files, stationery, etc. when you close work for the day. If in doubt about whether a document or other information should be considered confidential, please contact your supervisor or People Function representative.

Mindtree Minds should not speak to the media on Mindtree's behalf without contacting company spokesperson/public relations personnel. All media inquiries should be directed to them.

You must be aware that Mindtree subscribes to the provisions and guidelines of security controls as defined under ISO 27001 in the current form and with any subsequent changes. PwC AC Bangalore and its group of companies prohibits sexual or other unlawful harassment of its employees, vendors, clients or applicants, whether engaged in by company personnel, clients, customers, vendors, or others. This policy also prohibits employment actions that are based on an employee's submission to or rejection of unwelcome sexual advances or other behavior prohibited by this policy. This policy applies at PwC AC Bangalore facilities and at other locations where our employees conduct business or socialize, such as client sites or at company or client sponsored business and social functions including homes of the employees during a work from home setup and all employees are to adhere to this policy even in the course of online meetings, virtual socialization activities and/ or engaging in informal conversations during a work from home setup.
Sexual harassment is viewed as a form of employee conduct that undermines the integrity of the employment relationship. 2.
(a) All Works (as defined below) shall belong exclusively to PwC AC Bangalore and/or its affiliates, as the context may require whether or not fixed in a tangible medium of expression. Without limiting the foregoing, to the maximum extent permitted under applicable law, all Works shall be deemed to be " works made in the course of your employment with the PwC AC Bangalore" or "works made for hire", under Section 17 of the Indian Copyright Act, 1957 (as amended from time to time) and PwC AC Bangalore shall be deemed to be the author thereof. If and to the extent any Works are determined not to constitute "works made for hire," or if any rights in the Works do not accrue to PwC AC Bangalore as a work made for hire, I hereby irrevocably assign and transfer to PwC AC Bangalore to the maximum extent permitted by law all right, title and interest in the Works, including all copyrights (including moral rights), patents, trade secret rights, and other proprietary rights in or relating to the Works. To the extent my moral rights cannot be assigned, I hereby irrevocably and expressly waive them and agree not to assert any claims based on such rights against PwC AC Bangalore or its affiliates. Without limiting the foregoing, I hereby irrevocably assign and transfer to PwC AC Bangalore all economic rights to the Works, including the rights to reproduce, manufacture, use, adapt, modify, publish, distribute, sublicense, publicly perform and communicate, translate, lease, sell, offer for sale, import, export and otherwise exploit the Works. I further acknowledge and agree that I waive any right to and will not raise any objection or claims to the Copyright Board with respect to the assignment, pursuant to Section 19A of the Copyright Act, 1957. Without limiting the foregoing, I will not have the right to and will not reproduce, adapt, modify, publish, distribute, sublicense, publicly perform or communicate, translate, lease, import or otherwise exploit the Works, except as expressly authorized by PwC AC Bangalore in the scope of my employment. I expressly acknowledge and agree that I wish to remain anonymous and not to have my name or any pseudonym used in connection with the Works. I hereby approve any and all modifications, uses, publications and other exploitation of the Works that PwC AC Bangalore or any successor or transferee thereof may elect to make, and I expressly agree that no such modifications, uses, publications or exploitations will or may cause harm to my honor or reputation. I agree that no modification, use or publication of the Works by PwC AC Bangalore or any successor or transferee thereof will be deemed to constitute a distortion or mutilation of the Works. PwC AC Bangalore shall have the unrestricted right to transfer and convey any or all of PwC AC Bangalore's rights in or relating to the Works to any person or entity.

(b) I understand that the CIPA is not intended and shall not be interpreted to assign to or invest in PwC AC Bangalore any of my rights in any inventions developed entirely on my own time without using PwC AC Bangalore's equipment, supplies, facilities, resources, or trade secret information, except for those inventions that either relate at the time of conception or reduction to practice of the inventions to the business of PwC AC Bangalore or the actual or demonstrably anticipated research or development of PwC AC Bangalore, or result from any work that I performed for PwC AC Bangalore.

(c) I will keep and maintain adequate and current written records of all inventions, original works of authorship, trade secrets or other Works in which rights vest in or are assigned to PwC AC Bangalore hereunder. The records will be in the form of notes, sketches, drawings, and any other format that may be specified by PwC AC Bangalore. The records will be available to and remain the sole property of PwC AC Bangalore at all times.

(d) I will provide any assistance reasonably requested by PwC AC Bangalore to protect its proprietary and intellectual property rights, including, to obtain Indian or foreign letters patent and copyright registrations covering inventions, original works of authorship and other Works belonging or assigned hereunder to PwC AC Bangalore. I will execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including short form assignments intended for recording with the Indian, U.S. or any other foreign copyright and patent authorities, or any other entity). I understand that my obligations under this Section shall survive any termination of this CIPA or of my employment in perpetuity, provided that PwC AC Bangalore will compensate me at a reasonable rate for time actually spent performing such obligations at PwC AC Bangalore's request after such termination. If PwC AC Bangalore is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or foreign letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated hereunder to transfer or assign, I hereby irrevocably designate and appoint PwC AC Bangalore and its duly authorized officers and agents as my agent and attorney in fact, to act for and on my behalf and in my stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the application, registration, prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest in and to the inventions, works of authorship, trade secrets and other Works to which any proprietary rights may apply and shall survive my death or disability.

(e) "**Works**" means:

1. any inventions, trade secrets, ideas or original works of authorship that I conceive, develop, discover or make in whole or in part during my employment with PwC AC Bangalore (which term includes, for purposes of this entire definition, any affiliate of PwC AC Bangalore), or which I conceived, developed, discovered, or made in whole or in part during my employment or relationship with PwC AC Bangalore, and that relate to the business of PwC AC Bangalore or its actual or demonstrably anticipated research or development,

2. any inventions, trade secrets, ideas or original works of authorship that I conceive, develop, discover or make in whole or in part during or after my employment with PwC AC Bangalore**,** or which I conceived, developed, discovered, or made in whole or in part during my employment or relationship with PwC AC Bangalore, and which are made through the use of any of PwC AC Bangalore's or any PwC AC Bangalore's predecessors' equipment, facilities, supplies, trade secrets or time, or which result from any work that I perform or performed for PwC AC Bangalore, and any part or aspect of any of the foregoing.

3. For purposes of Sections 2(a), (b), (c) and (d) of this CIPA, the term PwC AC Bangalore shall mean (i) PwC AC Bangalore for any period of time during which I am employed by PwC AC Bangalore and (ii) any affiliate of PwC AC Bangalore for any period of time during which I am employed by such affiliate.

3. I will return immediately to PwC AC Bangalore all property of PwC AC Bangalore and its affiliates (including without limitation all Proprietary Information, documents, notes and other work product) in my possession or control, including duplicates, when I leave my employment or whenever PwC AC Bangalore may otherwise require that such Proprietary Information and other property be returned.

4. I will comply, and do all things necessary to assist PwC AC Bangalore to comply, with the laws and regulations of all governments under which PwC AC Bangalore does business, and with the provisions of contracts between PwC AC Bangalore and any such government or its contractors, or between PwC AC Bangalore and any private contractors, that relate to intellectual property or to the safeguarding of information, including the signing of any confidentiality agreements required in connection with the performance of duties during my employment with PwC AC Bangalore.

5. I understand and agree that the provisions of this CIPA shall remain in full force and effect in accordance with their terms notwithstanding any termination of my employment with PwC AC Bangalore for any or no reason.

6. The CIPA constitutes the entire agreement between PwC AC Bangalore and me with respect to the subject matter hereof and supersedes all prior and/or contemporaneous understandings, agreements or communications, whether oral or written, on such subject matter, provided that the provisions of any other written agreement between PwC AC Bangalore and me shall remain in full force and effect in accordance with its terms.

7. The CIPA shall be governed by and construed and enforced in accordance with the laws of India.

8. The CIPA may not be amended or modified except by a written document signed by me and a duly authorized representative of PwC AC Bangalore. The waiver of any right hereunder shall not be binding unless set forth in writing signed by the waiving party, and shall not bar the exercise of any other right or of the same right on any other occasion.

9. The CIPA shall be binding upon and inure to the benefit of me, PwC AC Bangalore and its affiliates, successors and assigns, provided, however, that I understand that I may not assign my rights or delegate my obligations under this CIPA without the express prior written consent of PwC AC Bangalore. Without limiting the foregoing, the rights of PwC AC Bangalore hereunder may be assigned in whole or in part without my consent to any of PwC AC Bangalore's affiliates or to any other entity that, whether by merger or otherwise, acquires all or substantially all of the assets, business or stock of the office or branch in which I work.

10. If any provision of this CIPA is held invalid or unenforceable for any reason, the invalidity shall not affect the validity of the remaining provisions of this CIPA, and the parties shall substitute for the invalid provision a valid provision which most closely approximates the intent and economic effect of the invalid provision.

11. I acknowledge and understand that any breach by me of any of Sections 1, 2, 3 or 4 of this CIPA will cause PwC AC Bangalore and its affiliates to suffer irreparable harm for which damages are an inadequate remedy and are difficult to calculate. Accordingly, I agree that PwC AC Bangalore and its affiliates will be entitled, without limiting any other available legal or equitable remedies, to injunctive relief (without the need to post any bond or other security) to enforce the terms of the CIPA in whole or in part and to prevent any breach or threatened breach of any of those Sections.

(a) I will, both during my work for PwC AC Bangalore and thereafter, hold in confidence and not directly or indirectly reveal, report, publish, disclose, transfer or otherwise share or make any Proprietary Information (as defined below) accessible, to any person or entity, or utilize any Proprietary Information for any purpose, except in the course of my work for PwC AC Bangalore's sole benefit. In addition, I will not remove, reproduce, transmit, summarize or copy any Proprietary Information except as expressly required by PwC AC Bangalore to enable me to perform my duties. I understand that this Section 1 is effective as of the commencement of my employment with PwC AC Bangalore or the date I acquired knowledge of any Proprietary Information, whichever is earlier.

(b) I will not knowingly use for the benefit of, or disclose to any person employed by, PwC AC Bangalore confidential information of any of my former employers or of any other third party or otherwise knowingly infringe or misappropriate any proprietary right of any third party. I represent and warrant that no contract, agreement or other obligation between or among me and any third party will interfere in any manner with my complete performance of my duties to PwC AC Bangalore or with my compliance with the terms and conditions of this CIPA. Without limiting the foregoing, I (have / have not) signed an agreement with [•], a previous employer or other entity, relating to inventions and confidential information. I (can/cannot) furnish PwC AC Bangalore with a copy of said agreement.

(c) "**Proprietary Information**" as used in this CIPA means all information or material disclosed to or known to me as a consequence of my employment with PwC AC Bangalore or any affiliate of PwC AC Bangalore ("**affiliate**" includes without limitation, for purposes of this CIPA, subsidiaries and other related entities of PwC AC Bangalore), including, without limitation, third party information that PwC AC Bangalore treats as confidential and any information disclosed to or developed by me or embodied in or relating to works for hire. Proprietary Information includes, but is not limited to discoveries, ideas, inventions, concepts, software in various states of development and related documentation, designs, drawings, specifications, techniques, methodologies, models, data, source code, object code, documentation, diagrams, flow charts, research, development, processes, training materials, templates, procedures, "know-how," tools, client identities, client accounts, web design needs, client advertising needs and history, client reports, client proposals, product information and reports, accounts, billing methods, pricing, data, sources of supply, business methods, production or merchandising systems or plans, marketing, sales and business strategies and plans, finances, operations, and information regarding employees and other similar information (whether or not reduced to writing). Notwithstanding the foregoing, information that is publicly known and is generally employed by the trade at or after the time I first learn of such information (other than as a result of my breach of the CIPA), shall not be deemed part of the Proprietary Information.

2.
(a) All Works (as defined below) shall belong exclusively to PwC AC Bangalore and/or its affiliates, as the context may require whether or not fixed in a tangible medium of expression. Without limiting the foregoing, to the maximum extent permitted under applicable law, all Works shall be deemed to be " works made in the course of your employment with the PwC AC Bangalore" or "works made for hire", under Section 17 of the Indian Copyright Act, 1957 (as amended from time to time) and PwC AC Bangalore shall be deemed to be the author thereof. If and to the extent any Works are determined not to constitute "works made for hire," or if any rights in the Works do not accrue to PwC AC Bangalore as a work made for hire, I hereby irrevocably assign and transfer to PwC AC Bangalore to the maximum extent permitted by law all right, title and interest in the Works, including all copyrights (including moral rights), patents, trade secret rights, and other proprietary rights in or relating to the Works. To the extent my moral rights cannot be assigned, I hereby irrevocably and expressly waive them and agree not to assert any claims based on such rights against PwC AC Bangalore or its affiliates. Without limiting the foregoing, I hereby irrevocably assign and transfer to PwC AC Bangalore all economic rights to the Works, including the rights to reproduce, manufacture, use, adapt, modify, publish, distribute, sublicense, publicly perform and communicate, translate, lease, sell, offer for sale, import, export and otherwise exploit the Works. I shall have no right to exercise any rights to the Works. I further acknowledge and agree that I waive any right to and will not raise any objection or claims to the Copyright Board with respect to the assignment, pursuant to Section 19A of the Copyright Act, 1957. Without limiting the foregoing, I will not have the right to and will not reproduce, adapt, modify, publish, distribute, sublicense, publicly perform or communicate, translate, lease, import or otherwise exploit the Works, except as expressly authorized by PwC AC Bangalore in the scope of my employment. I expressly acknowledge and agree that I wish to remain anonymous and not to have my name or any pseudonym used in connection with the Works. I hereby approve any and all modifications, uses, publications and other exploitation of the Works that PwC AC Bangalore or any successor or transferee thereof may elect to make, and I expressly agree that no such modifications, uses, publications or exploitations will or may cause harm to my honor or reputation. I agree that no modification, use or publication of the Works by PwC AC Bangalore or any successor or transferee thereof will be deemed to constitute a distortion or mutilation of the Works. PwC AC Bangalore shall have the unrestricted right to transfer and convey any or all of PwC AC Bangalore's rights in or relating to the Works to any person or entity.

(b) I understand that the CIPA is not intended and shall not be interpreted to assign to or invest in PwC AC Bangalore any of my rights in any inventions developed entirely on my own time without using PwC AC Bangalore's equipment, supplies, facilities, resources, or trade secret information, except for those inventions that either relate at the time of conception or reduction to practice of the inventions to the business of PwC AC Bangalore or the actual or demonstrably anticipated research or development of PwC AC Bangalore, or result from any work that I performed for PwC AC Bangalore.

(c) I will keep and maintain adequate and current written records of all inventions, original works of authorship, trade secrets or other Works in which rights vest in or are assigned to PwC AC Bangalore hereunder. The records will be in the form of notes, sketches, drawings, and any other format that may be specified by PwC AC Bangalore. I will execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including short form assignments intended for recording with the Indian, U.S. or any other foreign copyright and patent authorities, or any other entity). I understand that my obligations under this Section shall survive any termination of this CIPA or of my employment in perpetuity, provided that PwC AC Bangalore will compensate me at a reasonable rate for time actually spent performing such obligations at PwC AC Bangalore's request after such termination. If PwC AC Bangalore is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or foreign letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated hereunder to transfer or assign, I hereby irrevocably designate and appoint PwC AC Bangalore and its duly authorized officers and agents as my agent and attorney in fact, to act for and on my behalf and in my stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the application, registration, prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest in and to the inventions, works of authorship, trade secrets and other Works to which any proprietary rights may apply and shall survive my death or disability.

(e) "**Works**" means:

1. any inventions, trade secrets, ideas or original works of authorship that I conceive, develop, discover or make in whole or in part during my employment with PwC AC Bangalore (which term includes, for purposes of this entire definition, any affiliate of PwC AC Bangalore), or which I conceived, developed, discovered, or made in whole or in part during my employment or relationship with PwC AC Bangalore, and that relate to the business of PwC AC Bangalore or its actual or demonstrably anticipated research or development,

2. any inventions, trade secrets, ideas or original works of authorship that I conceive, develop, discover or make in whole or in part during or after my employment with PwC AC Bangalore**,** or which I conceived, developed, discovered, or made in whole or in part during my employment or relationship with PwC AC Bangalore, and which are made through the use of any of PwC AC Bangalore's or any PwC AC Bangalore's predecessors' equipment, facilities, supplies, trade secrets or time, or which result from any work that I perform or performed for PwC AC Bangalore, and any part or aspect of any of the foregoing.

3. For purposes of Sections 2(a), (b), (c) and (d) of this CIPA, the term PwC AC Bangalore shall mean (i) PwC AC Bangalore for any period of time during which I am employed by PwC AC Bangalore and (ii) any affiliate of PwC AC Bangalore for any period of time during which I am employed by such affiliate.

3. I will return immediately to PwC AC Bangalore all property of PwC AC Bangalore and its affiliates (including without limitation all Proprietary Information, documents, notes and other work product) in my possession or control, including duplicates, when I leave my employment or whenever PwC AC Bangalore may otherwise require that such Proprietary Information and other property be returned.

4. I will comply, and do all things necessary to assist PwC AC Bangalore to comply, with the laws and regulations of all governments under which PwC AC Bangalore does business, and with the provisions of contracts between PwC AC Bangalore and any such government or its contractors, or between PwC AC Bangalore and any private contractors, that relate to intellectual property or to the safeguarding of information, including the signing of any confidentiality agreements required in connection with the performance of duties during my employment with PwC AC Bangalore.

5. I understand and agree that the provisions of this CIPA shall remain in full force and effect in accordance with their terms notwithstanding any termination of my employment with PwC AC Bangalore for any or no reason.

6. The CIPA constitutes the entire agreement between PwC AC Bangalore and me with respect to the subject matter hereof and supersedes all prior and/or contemporaneous understandings, agreements or communications, whether oral or written, on such subject matter, provided that the provisions of any other written agreement between PwC AC Bangalore and me shall remain in full force and effect in accordance with its terms.

7. The CIPA shall be governed by and construed and enforced in accordance with the laws of India.

8. The CIPA may not be amended or modified except by a written document signed by me and a duly authorized representative of PwC AC Bangalore. The waiver of any right hereunder shall not be binding unless set forth in writing signed by the waiving party, and shall not bar the exercise of any other right or of the same right on any other occasion.

9. The CIPA shall be binding upon and inure to the benefit of me, PwC AC Bangalore and its affiliates, successors and assigns, provided, however, that I understand that I may not assign my rights or delegate my obligations under this CIPA without the express prior written consent of PwC AC Bangalore. Without limiting the foregoing, the rights of PwC AC Bangalore hereunder may be assigned in whole or in part without my consent to any of PwC AC Bangalore's affiliates or to any other entity that, whether by merger or otherwise, acquires all or substantially all of the assets, business or stock of the office or branch in which I work.

10. If any provision of this CIPA is held invalid or unenforceable for any reason, the invalidity shall not affect the validity of the remaining provisions of this CIPA, and the parties shall substitute for the invalid provision a valid provision which most closely approximates the intent and economic effect of the invalid provision.

11. I acknowledge and understand that any breach by me of any of Sections 1, 2, 3 or 4 of this CIPA will cause PwC AC Bangalore and its affiliates to suffer irreparable harm for which damages are an inadequate remedy and are difficult to calculate. Accordingly, I agree that PwC AC Bangalore and its affiliates will be entitled, without limiting any other available legal or equitable remedies, to injunctive relief (without the need to post any bond or other security) to enforce the terms of the CIPA in whole or in part and to prevent any breach or threatened breach of any of those Sections.

The telecommunications secrecy also covers the detailed circumstances surrounding unsuccessful call attempts (together "Telecommunications Secrets").

4.4 I have been informed and I am aware that relevant national law may make it an offense for a person to unlawfully disclose Telecommunications Secrets that he or she was entrusted with in the course of their employment activity (e.g. in Germany sec. 88 Telecommunications Act or sec. 206 Penal Code, in Austria sec. 119 Penal Code and sec. 4 Telecommunications Act, in Switzerland Art 43 Telecommunications Act).

3 PROFESSIONAL SECRETS

3.1 I acknowledge that during my activities for SAP I may obtain access to or knowledge about information of customers whose profession, due to relevant national laws, imposes a professional secrecy obligation upon them, and who are therefore subject to exceptional confidentiality. 3.2 When engaging service providers that will contribute in their professional services, such customers with a professional secrecy obligation must obey additional binding legal requirements aside from regular data protection obligations, which may derive from national professional- or penal law. One of these requirements is that service providers and their staff must be sworn to secrecy in a particular manner.

3.3 I acknowledge that, for legal reasons, I may be regarded as a person that contributes to the professional services of someone who bears a professional secrecy obligation, if and to the extent I will be granted with access to customer data which fall within the scope of such national professional- or penal laws ("Professional Secrets"). - I may claim a right to refuse to give evidence towards state or government institutions with regard to Professional Secrets and that I am obliged to exercise this right (e.g. towards government institutions in Germany according to sec. 53a of the German code of the criminal procedure).

3.4 I therefore undertake to obtain knowledge of Professional Secrets, to which I may be granted with access during my activity, only as much as is necessary to fulfill my contractual obligations under my employment. I undertake to treat these data strictly confidential and to protect them against disclosure by third parties.

4 TELECOMMUNICATIONS SECRECY

4.1 I acknowledge that during my activities for SAP I may obtain access to or knowledge about information which may fall within the scope of telecommunications secrecy due to relevant national telecommunications law, and who are therefore subject to exceptional confidentiality.

4.2 Telecommunications law may be applicable if SAP commercially provides telecommunications services, and when I may contribute in such telecommunication services and be granted with access to data which fall within the scope of telecommunications services in the course of my employment with SAP.

4.3 The telecommunications secrecy comprises the content of telecommunications and the detailed circumstances thereof, particularly the fact of whether a person is or has been involved in telecommunications traffic. The telecommunications secrecy also covers the detailed circumstances surrounding unsuccessful call attempts (together "Telecommunications Secrets").

4.4 I have been informed and I am aware that relevant national law may make it an offense for a person to unlawfully disclose Telecommunications Secrets that he or she was entrusted with in the course of their employment activity (e.g. in Germany sec. 88 Telecommunications Act or sec. 206 Penal Code, in Austria sec. 119 Penal Code and sec. 4 Telecommunications Act, in Switzerland Art 43 Telecommunications Act).

4.5 I therefore undertake to obtain knowledge of Telecommunications Secrets, to which I may be granted with access during my activity, only as much as is necessary to fulfill my contractual obligations under my employment. I undertake to treat these data strictly confidential and to protect them against disclosure by third parties.

5 GENERAL PROVISIONS

5.1 My obligation to confidentiality, data protection and regarding the use of Confidential Information shall remain in force after termination or expiration of my employment and/or my access to Confidential Information.

5.2 This Statement expresses the complete understanding of the parties with respect to safeguarding confidentiality and data protection and supersedes all prior general, that means not project- related, proposals, agreements, statements, representations and understandings. I acknowledge that any violation of this Statement may result in disciplinary action up to and including dismissal from employment as well as personal liability. Furthermore, it may lead to an administrative fine or, in case of a violation of applicable data protection-, unfair competition- or penal laws to criminal penalties or imprisonment. Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite

& transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.

COVID-19: IBM Initiatives for Employees and Communities

As we navigate the COVID-19 pandemic, IBM has taken a series of initiatives to help and support our employees and their family members in this challenging environment. The health and safety of IBMers, partners, and clients is our top priority.

We have put together a comprehensive support plan for our employees and their families to tide through this pandemic.

Employee Well-being and Safety

- **Vaccination for all IBMers:** Vaccination camps will be opened (in line with Government regulations and availability of vaccines) in all major cities with IBMer populations. IBMers and their family members will have the option of getting vaccinated at hospital centers or camps at selected IBM locations. We are working closely with the concerned authorities on this
- **Dedicated 24X7 Medical Helpline with Portea:** IBM has launched a dedicated helpline through Portea Health Care Services - for a variety of services including doctor consultation, medical/home care services, and testing services. This helpline is the first point of contact for support for any medical help.
- **Access to Oxygen Concentrators**
  IBM has procured oxygen concentrators to support IBMers and their family members. We have partnered with Portea Health Care Service to deploy these oxygen concentrators across Bangalore, NCR (Delhi, Gurgaon, Noida), Kolkata, Chennai, and Hyderabad.
- **Eldercare Support with Samarth:** IBM has partnered with Samarth, one of India's leading organizations supporting the elderly by creating a COVID care system. Samarth will help the elders deal with the pandemic by providing 24/7 emergency assistance, home care resources, medicines, doctor tele-consultations, food services, oxygen, and requirement for other equipment as needed.
- **COVID Care Center:** We have worked with Apollo Hospital to offer medically supervised "step down" facilities at designated hotels in every major city where IBMers and immediate family members can quarantine in case it's not feasible at home.
- **Emergency Transport for Medical Needs:** We are offering an emergency transport facility 24x7 for medical requirements for both employees and their immediate family members who are COVID-19 positive (for transport to a medical facility) and those who are COVID-19 negative (for procuring medical supplies or attend to impacted family members).
- **Additional Insurance Coverage:** IBM is providing additional insurance coverage for each insured employee and their covered dependents (spouse and children) for up to Rs. 5 Lakhs per member covered.

- **Meal Delivery Service**
  We have tied up with HungerBox for the delivery of freshly prepared meals, ensuring the highest levels of hygiene and safety measures. The service is currently available in Bangalore, NCR, Hyderabad, Chennai, Kolkata, Mumbai, Pune, and Vishakhapatnam.

Leverage the Power of Tech for good

- **COVID Assist:** We have launched COVID Assist, a Watson Assistant powered AI bot, to channelize the requests around critical resources such as ambulance, oxygen, medicine, hospital beds, in an efficient manner. It will also help you connect with the IBM Squad volunteers on ground.

Mobilizing the collective power of the IBMers

- **IBMer volunteer COVID squads :** We have organized squad groups staffed by IBMer volunteers to take service requests and match them to verified sources of available resources - Hospital Beds, ICUs, Oxygen requirements, ambulances, medicines, and more. With over 2000 volunteers already signed up, this is really making a difference to quickly triage requests and ensure that needs are matched to resources available nationally.
- While we do this, employee health and well-being remain a key priority for us. We have set up several **employee support groups across cities** to provide employees with a platform to discuss issues, challenges, concerns and coping mechanisms such as managing stress, staying active and promoting self-care. Covid Warrior stories to energise teams.
- IBM has partnered with United Way of India to drive an employee giving campaign. Employees can donate financially to the NGO and they in turn are working with several partners at the ground level to provide critical and emergency care for the community.
- IBMers are volunteering to become first responders on Covid-19 helplines through a collaboration with StepOne. StepOne is an NGO having an interface with 18 state governments and is helping to train & deploy volunteers to respond to queries on the government helpline.

Leveraging our voice and influence to rally global support

- IBM is playing a key role in **Global Task Force on Pandemic Response** launched by the US Chamber of Commerce to aid India and other Covid-19 Hot-Spots. This includes Sourcing, shipping and delivering 1,000 ventilators; 25,000 oxygen concentrators and working with local partners to fund emergency hospital beds in communities where our teams live and work.

In addition, we are also closely engaged with the government and government agencies in India to offer our support and we are ready to do more.

Given the dynamic pandemic situation, IBM is constantly revising and updating any initiatives it has put in place to respond to the pandemic, And any of these programs and policies may be changed or withdrawn by IBM at its sole discretion. Please reach out to your HR contact to understand the current measures in place at IBM.

*The term Covered Accounts refers to any securities accounts no matter where they are located and includes, but is not limited to, those accounts that are established, maintained or controlled (either directly or indirectly) by you, your spouse, domestic partner or minor children (even if financially independent), anyone to whom you provide significant financial support, and in which the employee has a direct or indirect financial interest.

If I leave the employment of Kyndryl or at the request of Kyndryl, I will return to Kyndryl all property in my possession belonging to Kyndryl or received by Kyndryl from any third party, whether or not containing confidential information and whether stored on an Kyndryl owned asset or a personally owned asset, including, but not limited to, electronic data, electronic files, flash drives, cloud accounts, and other storage media, drawings, notebooks, reports, and any other hard copy or electronic documents or records. Confidential information covered by this Agreement consists of, without limitation: (i) trade secrets; (ii) proprietary information that does not rise to the level of a statutorily protectable trade secret that is made the property of Kyndryl through positive operation of law in the form of this mutual agreement of the parties; and (iii) information that is otherwise legally protectable. Confidential information or material may include, but is not limited to, information and material related to past, present and future development, manufacturing activities, or information about employees to which I have special access through a position of trust and confidence, such as human resources and payroll, and for which I have not received the employees’ written consent to disclose (e.g. social security number, medical certifications, confidential personnel information, driver’s license number, bank account information, passport information, etc.); marketing and business plans; pricing information; customer lists; technical specifications, drawings, and designs; prototypes; computer programs; and databases.Notice of immunity from liability for confidential disclosure of a trade secret to the government or in a court filing: Notwithstanding the foregoing, an individual shall not be held criminally or civilly liable under any Central or State trade secret law for the disclosure of a trade secret if the disclosure (a) is made (i) in confidence to a Central, State, or local government official, either directly or indirectly, or to an attorney and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (b) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal (where so permitted under applicable law or by the concerned authority / court). An individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal (where so permitted under applicable law or by the concerned authority / court) and does not disclose the trade secret, except pursuant to court order.

(b) I agree that, during my employment with Kyndryl and for one year following the termination of my employment for any reason, I will not directly or indirectly solicit for competitive business purposes any customer with which I was directly or indirectly involved as part of my job responsibilities during the last twelve (12) months of my employment with Kyndryl. The post-employment prohibition in this paragraph 2(b) does not apply to any Kyndryl employee whose work location is within the state of California.I acknowledge that Kyndryl would suffer irreparable harm if I fail to comply with Paragraph 2(a) or (b), and that Kyndryl would be entitled to any appropriate relief, including money damages, equitable relief and attorneys’ fees.

3. I will not disclose to Kyndryl, use in its business, or cause it to use, any information or material which is confidential to any third party unless authorized by Kyndryl. In addition, I will not incorporate, into any product used and/or sold by Kyndryl, any copyrighted materials or patented inventions of any third party, unless authorized by Kyndryl pursuant to Paragraph 5.

4. I will comply, and do all things necessary for Kyndryl to comply, with (a) the laws and regulations of all governments under which Kyndryl does business, (b) the provisions of contracts between any such government or its contractors and Kyndryl that relate to intellectual property or to the safeguarding of information, and (c) Kyndryl 's corporate directives, including, without limitation, policies and information technology security standards issued from time to time as well as the Kyndryl Business Conduct Guidelines as amended from time to time.

If, by operation of law such right, title, and interest in Developments vest in Kyndryl upon creation, I acknowledge that such right, title, and interest belong to Kyndryl. Also, I hereby assign to Kyndryl my entire right, title and interest in any such Developments that were or are suggested by or a result of any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest to the extent that any such right, title and interest is not already owned by said entity.In the case of any "other works of authorship", such assignment or ownership shall be limited to those works of authorship which meet both conditions (a) and (b) above.

I acknowledge that the rights, title and interest to any Developments (which is assigned to Kyndryl under this Paragraph 5) shall not be deemed to have lapsed if Kyndryl does not exercise the rights for any period and I agree to waive my rights under Section 19(4) of the (Indian) Copyright Act, 1957 and any other similar law of any jurisdiction.

If I have any rights, including without limitation, “artist’s rights” or “moral rights” in the Developments that cannot be assigned, I hereby unconditionally and irrevocably grant to Kyndryl an exclusive, worldwide, fully paid and royalty free, irrevocable, perpetual license with rights to sublicense through multiple tiers of sublicensees, to: (i) use, reproduce, distribute, create derivate works of, publicly perform and publicly display the Developments in any medium or format, whether now known or later developed; (ii) use, make, have made, sell, offer to sell, import and otherwise exploit any product or service based on, embodying, incorporating, or derived from, the Developments, and (iii) exercise any and all other present or future rights in the Developments. California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

Additional pages may be attached, as appropriate to identify other Excluded Developments, if any. Kyndryl requires you to disclose Excluded Developments in this Paragraph 5. If you wish to interest Kyndryl in any Excluded Development, you may contact the Intellectual Property and Licensing Department at Corporate Headquarters, which will provide you with instructions for submitting it to Kyndryl.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

8. I agree that Kyndryl, its services providers and other third parties authorized by Kyndryl will collect, use, store, make available to those who have a need-to-know, and otherwise process my personal information to establish, maintain and terminate my employment relationship with Kyndryl and for other legitimate business purposes, anywhere in the world. Such personal information, whether provided to Kyndryl, its service providers, or third parties directly by me or otherwise gathered, includes my name, photo, contact information, skills, compensation, performance, usage of Kyndryl assets, background check results, bank account information, and disability information.

I will not use for unauthorized purposes nor share with any unauthorized parties, either during or after my employment, any personal information about others to which I may have access during my employment at Kyndryl .

Kyndryl provides numerous opportunities for social computing through blogs, wikis, social networks, virtual worlds and other social media. I agree to comply with all Kyndryl policies and practices regarding use of social computing tools and I understand that I am personally responsible for the content I post on any social computing tools (whether on Kyndryl ’s internal platforms or on third party sites) and that any information I post, including any of my personal information, may be made broadly available to others, potentially inside or outside Kyndryl, who have access to these tools.

9. The term “subsidiaries,” as used in this Agreement, includes any entity owned or controlled, directly or indirectly, by Kyndryl.

10. This Agreement supersedes all previous oral or written communications, representations, understandings, undertakings, or agreements relating to the subject matter hereof, except as expressly agreed otherwise by Kyndrylin writing upon my hire or transfer of employment to Kyndryl. Any waiver of a term in this Agreement and any amendment to this Agreement may only be made in a writing signed by the Senior Vice President of Human Resources for Kyndryl and myself.

11. This Agreement shall be governed by the laws of India. All disputes shall be subject to exclusive jurisdiction of courts in Bengaluru, Karnataka. In the event that any one or more of the provisions of this Agreement shall be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. Furthermore, a determination in any jurisdiction that this Agreement, in whole or in part, is invalid or unenforceable shall not in any way affect or impair the validity or enforceability of this Agreement in any other jurisdiction.

12. I recognize that any violation of my obligations described herein would cause Kyndryl to suffer irreparable harm and can result in disciplinary action, including dismissal from Kyndryl, and any other appropriate relief for Kyndryl, including money damages, equitable relief and attorneys' fees.
