12. Post- *Employment* Restrictions re: Clients. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, during the period of my *Employment* and for a period of one year thereafter, I will not, directly or indirectly, solicit or provide services to any existing client of a *Deloitte Entity* with which I had personal contact and provided services during the two-year period prior to termination of my *Employment*.

13. Exceptions to Post- *Employment* Restrictions re: Clients. I understand that the obligations of Paragraph 12 will not apply for a period of three (3**)** years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.

14. Future Employment with Clients. Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities* remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. Restrictions re: *Personnel* and Contractors. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring or of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention, would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated;(b) participate in the hiring or admission of any *Personnel*; or (c) cause a contractor of a *Deloitte Entity* to cease providing

DocuSign Envelope ID: 7B22C878-87EE-478C-AF0C-F0FA790C263C

services to, with, or on behalf of the *Deloitte Entity*.

16. Post- *Employment* Restrictions re: *Deloitte Property*. Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d)I agree to allow a *Deloitte Entity* to inspect any of my personal or home computers, including smart phones, tablet computers, or any device, media or location capable of storing electronic data, to determine whether any *Deloitte Property* resides on such computers and to permit a Deloitte Entity to remove such *Deloitte Property*.

OTHER POST- *EMPLOYMENT* OBLIGATIONS

17. Transition of Work and Cooperation. Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licenser of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.

18. Notification of Post- *Employment* Obligations. I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.

19. Certification. I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15 and 16 of this Agreement.

I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15**,** to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. Liquidated Damages: Client Fees. I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtima, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Terms of Service

Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.

This includes the operation of malus and clawback provisions as set out in the relevant bonus or sales incentive plan rules and/or as necessary to comply with the Company’s regulatory requirements.

7.5 You have no contractual right to receive a payment in respect of a bonus or incentive and the making of any payment in any year does not

give rise to any obligation on the Company to make a payment in any future year. Any and all such bonus or incentives will not be considered as "wages" for the purposes of any statutory payments that you may be entitled to receive from the Company, including without limitation, "wages" under the Payment of Wages, Act, 1936, Maternity Benefit Act, 1961, Payment of Bonus Act, 1965 or any other subsequent laws that would replace the existing applicable employment laws, any severance payments as payable under local law or discretionary Company policies, social security contributions, etc.

If a scheme provider (for example, an insurance company) refuses for any reason (whether under its own interpretation of the terms of the relevant insurance policy or otherwise) to provide the relevant cover or benefit(s) to you under the applicable scheme or refuses to provide cover at the normal premiums due to the state of your health, the Company will not be liable to provide equivalent benefits or to compensate you for the loss of such benefits.

"***Works***" means all documents, materials, software, photographic or graphic works of any type, and other materials in any medium or format which are created or developed, or used (whether in final form or otherwise) by you or on your behalf or by the Company in the course of your employment with the Company or for the benefit of the Company and which are protected by, contain or relate to any Intellectual Property Rights.

11.2 You may create Inventions (alone or jointly) in the course of your employment and you have a special obligation to further the interests of the Company in relation to such Inventions. You will, promptly following their creation, disclose to the Company all such Inventions and Works embodying Company Intellectual Property.

11.3 All Company Intellectual Property and materials embodying it will automatically belong to the Company as from creation for the full term of those rights; and you hereby assign (on a perpetual, worldwide and royalty-free basis), by way of present and future assignment, any and all right, title and interest therein to the Company. Notwithstanding the provisions of Section 19(4) of the Copyright Act, 1957, such assignment in so far as it relates to copyrightable material shall not lapse nor the rights transferred therein revert to you, even if the Company does not exercise the rights under the assignment within a period of one year from the date of assignment. You acknowledge and agree that you shall waive any right to and shall not raise any objection or claims to the Copyright Board with respect to the assignment, pursuant to Section 19A of the Copyright Act, 1957.

11.4 To the extent that any Company Intellectual Property does not vest in the Company automatically pursuant to clause 11.5, you hold such property on trust for the Company and hereby grant to the Company an exclusive, royalty-free licence to use such property at its discretion until such Company Intellectual Property fully vests in the Company.

11.5 To the extent that any Inventions created by you (whether alone or jointly) at any time during the course of your employment are prohibited by or prevented in law from automatically vesting with the Company pursuant to clause 11.2, you will, immediately upon creation of such rights, grant the Company, in writing, a right of first refusal to acquire them on arm's length terms to be agreed between the parties. If the parties cannot agree on such terms within 30 days of the Company receiving the offer, the Company will refer the dispute to an appropriate independent arbitrator. The arbitrator's decision will be final and binding on the parties and the costs of arbitration will be borne equally by the parties.

11.6 You agree:

- to promptly disclose and deliver up to the Company all and any Works conceived, or made by you during your employment (whether or not during working hours or using Company premises or resources and whether or not recorded in material form);
- to execute all such documents, both during and after your employment, as the Company may require, to vest in the Company all right, title and interest pursuant to the Agreement at the reasonable expense of the Company;
- to provide all such information and assistance and do all such further things as the Company may require to enable it to protect, maintain and exploit the Company Intellectual Property to best advantage, at the reasonable expense of the Company, including (without limitation), at the Company's request, applying for the protection of Inventions throughout the world;
- to assist the Company in applying for the registration of any registrable Company Intellectual Property, to enable it to enforce the Company Intellectual Property against third parties and to defend claims for infringement of third-party Intellectual Property Rights at the reasonable expense of the Company;
- not to apply for the registration of any Company Intellectual Property in your country of employment or any other part of the world without the prior written consent of the Company;
- to keep confidential all Company Intellectual Property unless the Company has consented in writing to its disclosure by you; and
- to adhere to any policies, guidelines or procedures or code of practice, including the Company Code of Conduct, issued by the Company or any Group Company (as amended and in force at the relevant time).

11.7 As against the Company, its successors and assigns and any licensee of any of the foregoing, you waive all your present and future moral rights and all similar rights in other jurisdictions relating to the Company Intellectual Property.

11.8 You acknowledge that, except as provided by law, no further remuneration or compensation, other than that provided for in the Agreement, is or may become due to you in respect of your compliance with this clause.

11.9 You agree to sign, execute, or deliver any deed, document or other instrument for the purpose of giving full effect to this clause.

11.10 Rights and obligations under the Agreement will continue in force after termination of the Agreement in respect of any Company Intellectual Property.

11.11 You confirm that you will not use or disclose to the Company, or induce the Company to use any invention or work of a prior employer or any other party and you will also disclose to the Company any of your prior works and inventions (collectively, "Prior Inventions") in order to avoid future disputes in relation to ownership. If, in the course of your relationship with the Company, you induce or suggest the incorporation of and/or incorporate into a Company product, process or machine a Prior Invention owned by you or in which you have an

interest, the Company is hereby granted and shall have a non-exclusive, royalty-free, irrevocable, perpetual, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, sell and otherwise distribute such Prior Invention as part of or in connection with such product, process or machine and you agree not to license such Prior Invention or Work to a competitor of the Company.

A. Confidential Information:

1. I agree and acknowledge: (a) that in the course of and as a consequence of my employment with the Company and because of the nature of my responsibilities I will have access to and will be entrusted with Confidential Information (as defined below) concerning the Company's business; (b) that I will occupy a position of trust and confidence with respect to such Confidential Information; (c) that the Company entrusts me with Confidential Information in reliance on a confidential relationship arising out of my employment with the Company and my execution of this Agreement; and (d) that such Confidential Information that I may acquire or to which I may have access is of great value to the Company.

2. I will not, during my employment or thereafter, remove or transfer physically, electronically or in any other way any Confidential Information (or any copy thereof) from premises or property owned, used or leased by the Company, except: (a) as is required in the course of my duties for the Company and as is necessary for me to perform my duties; or (b) if I have received advance written consent from an authorized Executive Vice President of the Company. Upon any termination of my employment, all documents and electronic files containing Confidential Information (including all copies) and all Company property will be turned over immediately to my manager or other designee at the Company, and I shall retain no copies thereof.

3. I agree that, during the course of my employment with the Company and after I cease to be employed by the Company for any reason, I will not, directly or indirectly, for my own or another's benefit, use, make known or divulge any Confidential Information, except: (a) as is required in the course of my duties for the Company and as is necessary for me to perform my duties; or (b) if I have received advance written consent from an authorized Executive Vice President of the Company.

B. Competitive Restrictions:

1. I agree that, during my employment with the Company, I will not directly or indirectly, nor will I assist anyone else to, engage in any activity that is competitive with the Company or any of its subsidiaries or affiliates.

2. I agree that, during my employment with the Company and for a period of six (6) months after I cease to be employed by the Company for any reason, I will not, directly or indirectly, except as authorized by the Company in the course of my duties for the Company: (a) provide, or directly assist in the provision of, any

Competitive Services or Products to any Client or Prospective Client (as defined below); (b) Solicit, or directly assist in the Solicitation of, any Client or Prospective Client; or (c) solicit, encourage, advise, induce or cause any Restricted Person (as defined below) to terminate his or her employment or engagement with the Company, nor provide any assistance, encouragement, information, or suggestion to any person or entity regarding the solicitation or hiring of any Restricted Person.

3. I acknowledge that my duties for the Company are not confined to any specific geographic area. Rather, my duties pertain to particular clients, and the identities and locations of these particular clients may change from time to time. I therefore agree that the restrictions in this Agreement attach to my conduct in any country where the Company has carried out business in which I have been materially involved or concerned and with respect to Clients and Prospective Clients wherever they may be located during the six (6) month period after I cease to be employed by the Company.

4. Nothing in this Agreement shall prohibit my Solicitation of or my providing Competitive Services or Products to any Client or Prospective Client with whom I can demonstrate that I had a business relationship prior to the start of my employment with the Company, provided that no Confidential Information is used, directly or indirectly, in connection with that Solicitation or provision of Competitive Services or Products.

5. If my employment with the Company lasts for less than six (6) months, the time period of the competitive restrictions provided for in this section shall be reduced to be equal to the number of months that I was employed by the Company.

6. Nothing in this Agreement is intended to prevent me from seeking or accepting employment with any other financial services institution, bank, trust company, brokerage firm, or other competing entity after the termination of my employment with the Company, so long as such employment does not violate the restrictions of this Section B.

C. Work Product:

I further recognize that the Company will suffer immediate and irreparable harm as the result of any breach of such restrictions and that monetary damages will not be adequate to compensate the Company for such breach. I understand that the Company may seek injunctive relief, in addition to monetary damages, to enforce those restrictions. I acknowledge that the period of the restrictions in this Agreement shall be reduced by any period of garden leave exclusion to which I may be subject under my contract of employment with the Company.

3. If any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, it shall be limited, modified and construed in accordance with applicable law as it then shall appear, and if such modification does not or cannot occur, then the provision in question shall be severed, this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein, and the remainder of this Agreement shall be enforceable and binding upon the parties.

In the event of cessation of your employment with the Company, the Company shall be obligated to pay you all terminal benefits under applicable law/contract (including gratuity, if applicable) from the date of your joining HGSL until the date of cessation of your employment with the Company, on the basis that your employment has been continuous and has not been interrupted by the Transfer.

4. Accrued salary, and other dues (if any) up till the Cessation Date, payable to you in relation to your employment with HGSL, shall, subject to deduction of taxes and other levies as per applicable law, be paid to you by HGSL.
