1. **Consideration and Relationship to Employment.** As a condition of my employment with Hewlett Packard Enterprise or one of its subsidiaries, successors, assigns, or affiliates (referred to collectively as, "Company"), in return for Company's agreement that I will be provided certain confidential and proprietary information, training, and/or customer contacts to assist me in my duties in such employment, I knowingly agree to restrictions provided for below that will apply during and after my employment by Company. I understand, however, that nothing relating to this Agreement will be interpreted as a contract or commitment whereby Company is deemed to promise continuing employment for a specified duration.

2. **Confidential Information.** This Agreement concerns trade secrets, confidential business and technical information, and know-how not generally known to the public (hereinafter "Confidential Information") which is acquired or produced by me in connection with my employment by Company. Confidential Information may include, without limitation, information on Company organizations, staffing, finance, structure, information of employee performance, compensation of others, research and development, manufacturing and marketing, files, keys, certificates, passwords and other computer information, as well as information that Company receives from others under an obligation of confidentiality. I agree to abide by the Company Confidential Information Policy and specifically agree

that with regard to Company Confidential Information:

(a) to use such information only in the performance of Company duties;

(b) to hold such information in confidence and trust; and

(c) to use all reasonable precautions to assure that such information is not disclosed to unauthorized persons or used in an unauthorized manner, both during and after my employment with Company.

I further agree that any organizational information or staffing information learned by me in connection with my employment by Company is the Confidential Information of Company, and I agree that I will not share such information with any recruiters or any other employers, either during or subsequent to my employment with Company; further, I agree that I will not use or permit use of such as a means to recruit or solicit other Company employees away from Company (either for myself or for others).

3. **Proprietary Developments.** This Agreement also concerns inventions and discoveries (whether or not patentable), designs, works of authorship, mask works, improvements, data, processes, computer programs and software (hereinafter called "Proprietary Developments") that are conceived or made by me alone or with others while I am employed by Company and that relate to the research and development or the business of Company, or that result from work performed by me for Company, or that are developed, in whole or in part, using Company's equipment, supplies, facilities or trade secrets information.

Such Proprietary Developments are the sole property of Company, and I hereby assign and transfer all rights in such Proprietary Developments to Company. I also agree that any works of authorship created by me shall be deemed to be "works made for hire." I further agree for all Proprietary Developments:

(a) to disclose them promptly to Company;

(b) to sign any assignment document to formally perfect and confirm my assignment of title to Company;

(c) to assign any right of recovery for past damages to Company; and

(d) to execute any other documents deemed necessary by Company to obtain, record and perfect patent, copyright, mask works and/or trade secret protection in all countries, in Company's name and at Company's expense.

I understand that Company may delegate these rights. I agree that, if requested, my disclosure, assignment, execution and cooperation duties will be provided to the entity designated by Company.

4. **Respect for Rights of Former Employers.** I agree to honor any valid disclosure or use restrictions on information or intellectual property known to me and received from any former employers or any other parties prior to my employment by Company. I agree that without prior written consent of such former employers or other parties, I will not knowingly use any such information in connection with my Company work or work product, and I will not bring onto the premises of Company any such information in whatever tangible or readable form.

5. **Work Product.** The product of all work performed by me during and within the scope of my Company employment including, without limitation, any files, presentations, reports, documents, drawings, computer programs, devices and models, will be the sole property of Company. 7. **Protective Covenants.** I acknowledge that a simple agreement not to disclose or use Company's Confidential Information or Proprietary Developments after my employment by Company ends would be inadequate, standing alone, to protect Company's legitimate business interests because some activities by a former employee who had held a position like mine would, by their nature, compromise such Confidential Information and Proprietary Developments as well as the goodwill and customer relationships that Company will pay me to develop for Company during my employment by Company.

I recognize that activities that violate Company's rights in this regard, whether or not intentional, are often undetectable by Company until it is too late to obtain any effective remedy, and that such activities will cause irreparable injury to Company. To prevent this kind of irreparable harm and to protect Company's trade secrets, I agree that during my employment and for a period of twelve months following the end of my employment with Company, I will abide by the following Protective Covenants:

(a) **No Solicitation of Customers.** I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with any customer of Company in pursuit of a Competing Line of Business if I either had business-related contact with that customer or received Confidential Information about that customer in the last two years of my employment at Company;

(b) **No Solicitation of Company Employees.** I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with any Company Employee for the purpose of persuading or helping the Company Employee to end or reduce his or her employment relationship with Company if I either worked with that Company Employee or received Confidential Information about that Company Employee in the last two years of my employment with Company; and

business relationship with Company if I either worked with that Company Supplier or received Confidential Information about that Company Supplier in the last two years of my employment with Company.

As used here, **"Competing Line of Business"** includes a business that involves a product or service offered or to be offered by anyone other than Company that would replace or compete with any product or service offered or to be offered by Company or its related corporations (unless Company and its related corporations are no longer engaged in or planning to engage in that line of business). **"Company Employee"** means an individual employed by or retained as a consultant to Company or its related corporations. **"Company Supplier"** means an individual, corporation, other business entity or separately operated business unit of an entity that regularly provides goods or services to Company or its related corporations, including without limitation any OEM, ODM or subcontractor.

8. **Enforcement.** I make these agreements to avoid any future dispute between myself and Company regarding specific restrictions on my post-employment conduct that will be reasonable, necessary and enforceable to protect Company's Confidential Information and Proprietary Developments and other legitimate business interests. The Protective Covenants are ancillary to the other terms of this Agreement and my employment relationship with Company. This Agreement benefits both me and Company because, among other things, it provides finality and predictability for both me and the company regarding enforceable boundaries on my future conduct. Accordingly, I agree that this Agreement and the restrictions in it should be enforced under common law rules favoring the enforcement of such agreements.

For these reasons, I agree that I will not pursue any legal action to set aside or avoid application of the Protective Covenants. This Agreement will survive the end of my employment with Company and shall, likewise, continue to apply and be valid notwithstanding any change in my duties, responsibilities, position, or title.

9. **Relief; Extension.** I understand that if I violate this Agreement (particularly the Protective Covenants), Company will be entitled to (i) injunctive relief by temporary restraining order, temporary injunction, and/or permanent injunction, (ii) recovery of attorneys' fees and costs incurred by Company in obtaining such relief where allowed by law, and (iii) any other legal and equitable relief to which Company may be entitled. Injunctive relief will not exclude other remedies that might apply. If I am found to have violated any restrictions in the Protective Covenants, then the time period for such restrictions will be extended by one day for each day that I am found to have violated them, up to a maximum extension equal to the time period originally prescribed for the restrictions.

10. **Severability; Authority for Revision; Assignment; Governing Law.** The provisions of this Agreement will be separately construed. If any provision contained in this Agreement is determined to be void, illegal or unenforceable, in whole or in part, then the other provisions contained herein will remain in full force and effect as if the provision so determined had not been contained herein. If the restrictions provided in this Agreement are deemed unenforceable as written, the parties expressly authorize the court to revise, delete, or add to such restrictions to the extent necessary to enforce the

intent of the parties and to provide Company's goodwill, Confidential Information, Proprietary Developments and other business interests with effective protection. In the event the restrictions provided in this Agreement are deemed unenforceable and cannot be reformed to make them enforceable, then any prior agreements that I have made with Company relating to confidential information or proprietary developments shall not be deemed to have been superseded or otherwise affected by this Agreement, but instead shall remain in effect. The title and paragraph headings in this Agreement are provided for convenience of reference only, and shall not be considered in determining its meaning, intent or applicability. This Agreement will inure to the benefit of the parties' heirs, successors and assigns. This Agreement will be governed by the laws of the country and/or state identified as my work location in which I work at the time of its enforcement.

11. **Acceptance by Company.** A counterpart of this Agreement has been manually executed by a duly authorized representative to indicate Company's acceptance of the terms hereof and Company's covenant to perform its obligations hereunder (including, without limitation, Company's agreement that I will be provided certain confidential and proprietary information, training, and/or customer contacts to assist me in my duties). COVID-19: IBM Initiatives for Employees and Communities

As we navigate the COVID-19 pandemic, IBM has taken a series of initiatives to help and support our employees and their family members in this challenging environment. The health and safety of IBMers, partners, and clients is our top priority.

We have put together a comprehensive support plan for our employees and their families to tide through this pandemic.

Employee Well-being and Safety

- **Vaccination for all IBMers:** Vaccination camps will be opened (in line with Government regulations and availability of vaccines) in all major cities with IBMer populations. IBMers and their family members will have the option of getting vaccinated at hospital centers or camps at selected IBM locations. We are working closely with the concerned authorities on this
- **Dedicated 24X7 Medical Helpline with Portea:** IBM has launched a dedicated helpline through Portea Health Care Services - for a variety of services including doctor consultation, medical/home care services, and testing services. This helpline is the first point of contact for support for any medical help.
- **Access to Oxygen Concentrators**
  IBM has procured oxygen concentrators to support IBMers and their family members. We have partnered with Portea Health Care Service to deploy these oxygen concentrators across Bangalore, NCR (Delhi, Gurgaon, Noida), Kolkata, Chennai, and Hyderabad.
- **Eldercare Support with Samarth:** IBM has partnered with Samarth, one of India's leading organizations supporting the elderly by creating a COVID care system. Samarth will help the elders deal with the pandemic by providing 24/7 emergency assistance, home care resources, medicines, doctor tele-consultations, food services, oxygen, and requirement for other equipment as needed.
- **COVID Care Center:** We have worked with Apollo Hospital to offer medically supervised "step down" facilities at designated hotels in every major city where IBMers and immediate family members can quarantine in case it's not feasible at home.
- **Emergency Transport for Medical Needs:** We are offering an emergency transport facility 24x7 for medical requirements for both employees and their immediate family members who are COVID-19 positive (for transport to a medical facility) and those who are COVID-19 negative (for procuring medical supplies or attend to impacted family members).
- **Additional Insurance Coverage:** IBM is providing additional insurance coverage for each insured employee and their covered dependents (spouse and children) for up to Rs. 5 Lakhs per member covered.

- **Meal Delivery Service**
  We have tied up with HungerBox for the delivery of freshly prepared meals, ensuring the highest levels of hygiene and safety measures. The service is currently available in Bangalore, NCR, Hyderabad, Chennai, Kolkata, Mumbai, Pune, and Vishakhapatnam.

Leverage the Power of Tech for good

- **COVID Assist:** We have launched COVID Assist, a Watson Assistant powered AI bot, to channelize the requests around critical resources such as ambulance, oxygen, medicine, hospital beds, in an efficient manner. It will also help you connect with the IBM Squad volunteers on ground.

Mobilizing the collective power of the IBMers

- **IBMer volunteer COVID squads :** We have organized squad groups staffed by IBMer volunteers to take service requests and match them to verified sources of available resources - Hospital Beds, ICUs, Oxygen requirements, ambulances, medicines, and more. With over 2000 volunteers already signed up, this is really making a difference to quickly triage requests and ensure that needs are matched to resources available nationally.
- While we do this, employee health and well-being remain a key priority for us. We have set up several **employee support groups across cities** to provide employees with a platform to discuss issues, challenges, concerns and coping mechanisms such as managing stress, staying active and promoting self-care. Covid Warrior stories to energise teams.
- IBM has partnered with United Way of India to drive an employee giving campaign. Employees can donate financially to the NGO and they in turn are working with several partners at the ground level to provide critical and emergency care for the community.
- IBMers are volunteering to become first responders on Covid-19 helplines through a collaboration with StepOne. StepOne is an NGO having an interface with 18 state governments and is helping to train & deploy volunteers to respond to queries on the government helpline.

Leveraging our voice and influence to rally global support

- IBM is playing a key role in **Global Task Force on Pandemic Response** launched by the US Chamber of Commerce to aid India and other Covid-19 Hot-Spots. This includes Sourcing, shipping and delivering 1,000 ventilators; 25,000 oxygen concentrators and working with local partners to fund emergency hospital beds in communities where our teams live and work.

In addition, we are also closely engaged with the government and government agencies in India to offer our support and we are ready to do more.

Given the dynamic pandemic situation, IBM is constantly revising and updating any initiatives it has put in place to respond to the pandemic, And any of these programs and policies may be changed or withdrawn by IBM at its sole discretion. Please reach out to your HR contact to understand the current measures in place at IBM.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. Also, I hereby assign to Kyndryl my entire right, title and interest in any such Developments that were or are suggested by or a result of any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest to the extent that any such right, title and interest is not already owned by said entity.In the case of any "other works of authorship", such assignment or ownership shall be limited to those works of authorship which meet both conditions (a) and (b) above.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl . I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

8. PwC AC Bangalore and its group of companies prohibits sexual or other unlawful harassment of its employees, vendors, clients or applicants, whether engaged in by company personnel, clients, customers, vendors, or others. This policy also prohibits employment actions that are based on an employee's submission to or rejection of unwelcome sexual advances or other behavior prohibited by this policy. This policy applies at PwC AC Bangalore facilities and at other locations where our employees conduct business or socialize, such as client sites or at company or client sponsored business and social functions including homes of the employees during a work from home setup and all employees are to adhere to this policy even in the course of online meetings, virtual socialization activities and/ or engaging in informal conversations during a work from home setup.
Sexual harassment is viewed as a form of employee conduct that undermines the integrity of the employment relationship. For the purposes of this policy, sexual harassment is defined as sexual behavior that is unwelcome, is personally offensive, and/or creates a hostile, intimidating or offensive work environment. This policy also expressly prohibits behavior that harasses an employee or applicant on the basis of his or her race, color, creed, religion, age, gender, national origin, citizenship status, marital status, sexual orientation, disability, or other category protected by Central, State, or local law. Forms of such harassment can include physical, verbal and nonverbal behavior that harasses, disrupts, or interferes with an employee's work performance or in any way creates or contributes to an intimidating, hostile or offensive work environment. This behavior includes, by way of example only, epithets, slurs, off-color jokes, threats, or posters, cartoons, emails, or drawings that are insulting, degrading, derogatory or ridiculing of one based on his or her protected status.

If and to the extent any Works are determined not to constitute "works made for hire," or if any rights in the Works do not accrue to PwC AC Bangalore as a work made for hire, I hereby irrevocably assign and transfer to PwC AC Bangalore to the maximum extent permitted by law all right, title and interest in the Works, including all copyrights (including moral rights), patents, trade secret rights, and other proprietary rights in or relating to the Works. To the extent my moral rights cannot be assigned, I hereby irrevocably and expressly waive them and agree not to assert any claims based on such rights against PwC AC Bangalore or its affiliates. Without limiting the foregoing, I will not have the right to and will not reproduce, adapt, modify, publish, distribute, sublicense, publicly perform or communicate, translate, lease, import or otherwise exploit the Works, except as expressly authorized by PwC AC Bangalore in the scope of my employment. I expressly acknowledge and agree that I wish to remain anonymous and not to have my name or any pseudonym used in connection with the Works. I hereby approve any and all modifications, uses, publications and other exploitation of the Works that PwC AC Bangalore or any successor or transferee thereof may elect to make, and I expressly agree that no such modifications, uses, publications or exploitations will or may cause harm to my honor or reputation. I agree that no modification, use or publication of the Works by PwC AC Bangalore or any successor or transferee thereof will be deemed to constitute a distortion or mutilation of the Works. PwC AC Bangalore shall have the unrestricted right to transfer and convey any or all of PwC AC Bangalore's rights in or relating to the Works to any person or entity.

(b) I understand that the CIPA is not intended and shall not be interpreted to assign to or invest in PwC AC Bangalore any of my rights in any inventions developed entirely on my own time without using PwC AC Bangalore's equipment, supplies, facilities, resources, or trade secret information, except for those inventions that either relate at the time of conception or reduction to practice of the inventions to the business of PwC AC Bangalore or the actual or demonstrably anticipated research or development of PwC AC Bangalore, or result from any work that I performed for PwC AC Bangalore.

(c) I will keep and maintain adequate and current written records of all inventions, original works of authorship, trade secrets or other Works in which rights vest in or are assigned to PwC AC Bangalore hereunder. The records will be in the form of notes, sketches, drawings, and any other format that may be specified by PwC AC Bangalore. (d) I will provide any assistance reasonably requested by PwC AC Bangalore to protect its proprietary and intellectual property rights, including, to obtain Indian or foreign letters patent and copyright registrations covering inventions, original works of authorship and other Works belonging or assigned hereunder to PwC AC Bangalore. I will execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including short form assignments intended for recording with the Indian, U.S. or any other foreign copyright and patent authorities, or any other entity). I understand that my obligations under this Section shall survive any termination of this CIPA or of my employment in perpetuity, provided that PwC AC Bangalore will compensate me at a reasonable rate for time actually spent performing such obligations at PwC AC Bangalore's request after such termination. If PwC AC Bangalore is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or foreign letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated hereunder to transfer or assign, I hereby irrevocably designate and appoint PwC AC Bangalore and its duly authorized officers and agents as my agent and attorney in fact, to act for and on my behalf and in my stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the application, registration, prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest in and to the inventions, works of authorship, trade secrets and other Works to which any proprietary rights may apply and shall survive my death or disability.

(e) "**Works**" means:

1. any inventions, trade secrets, ideas or original works of authorship that I conceive, develop, discover or make in whole or in part during my employment with PwC AC Bangalore (which term includes, for purposes of this entire definition, any affiliate of PwC AC Bangalore), or which I conceived, developed, discovered, or made in whole or in part during my employment or relationship with PwC AC Bangalore, and that relate to the business of PwC AC Bangalore or its actual or demonstrably anticipated research or development,

2. any inventions, trade secrets, ideas or original works of authorship that I conceive, develop, discover or make in whole or in part during or after my employment with PwC AC Bangalore**,** or which I conceived, developed, discovered, or made in whole or in part during my employment or relationship with PwC AC Bangalore, and which are made through the use of any of PwC AC Bangalore's or any PwC AC Bangalore's predecessors' equipment, facilities, supplies, trade secrets or time, or which result from any work that I perform or performed for PwC AC Bangalore, and any part or aspect of any of the foregoing.

3. For purposes of Sections 2(a), (b), (c) and (d) of this CIPA, the term PwC AC Bangalore shall mean (i) PwC AC Bangalore for any period of time during which I am employed by PwC AC Bangalore and (ii) any affiliate of PwC AC Bangalore for any period of time during which I am employed by such affiliate.

3. I will return immediately to PwC AC Bangalore all property of PwC AC Bangalore and its affiliates (including without limitation all Proprietary Information, documents, notes and other work product) in my possession or control, including duplicates, when I leave my employment or whenever PwC AC Bangalore may otherwise require that such Proprietary Information and other property be returned.

4. I will comply, and do all things necessary to assist PwC AC Bangalore to comply, with the laws and regulations of all governments under which PwC AC Bangalore does business, and with the provisions of contracts between PwC AC Bangalore and any such government or its contractors, or between PwC AC Bangalore and any private contractors, that relate to intellectual property or to the safeguarding of information, including the signing of any confidentiality agreements required in connection with the performance of duties during my employment with PwC AC Bangalore.

5. I understand and agree that the provisions of this CIPA shall remain in full force and effect in accordance with their terms notwithstanding any termination of my employment with PwC AC Bangalore for any or no reason.

6. The CIPA constitutes the entire agreement between PwC AC Bangalore and me with respect to the subject matter hereof and supersedes all prior and/or contemporaneous understandings, agreements or communications, whether oral or written, on such subject matter, provided that the provisions of any other written agreement between PwC AC Bangalore and me shall remain in full force and effect in accordance with its terms.

7. The CIPA shall be governed by and construed and enforced in accordance with the laws of India.

8. The CIPA may not be amended or modified except by a written document signed by me and a duly authorized representative of PwC AC Bangalore. The waiver of any right hereunder shall not be binding unless set forth in writing signed by the waiving party, and shall not bar the exercise of any other right or of the same right on any other occasion.

9. The CIPA shall be binding upon and inure to the benefit of me, PwC AC Bangalore and its affiliates, successors and assigns, provided, however, that I understand that I may not assign my rights or delegate my obligations under this CIPA without the express prior written consent of PwC AC Bangalore. Without limiting the foregoing, the rights of PwC AC Bangalore hereunder may be assigned in whole or in part without my consent to any of PwC AC Bangalore's affiliates or to any other entity that, whether by merger or otherwise, acquires all or substantially all of the assets, business or stock of the office or branch in which I work.

10. If any provision of this CIPA is held invalid or unenforceable for any reason, the invalidity shall not affect the validity of the remaining provisions of this CIPA, and the parties shall substitute for the invalid provision a valid provision which most closely approximates the intent and economic effect of the invalid provision.

11. I acknowledge and understand that any breach by me of any of Sections 1, 2, 3 or 4 of this CIPA will cause PwC AC Bangalore and its affiliates to suffer irreparable harm for which damages are an inadequate remedy and are difficult to calculate. Accordingly, I agree that PwC AC Bangalore and its affiliates will be entitled, without limiting any other available legal or equitable remedies, to injunctive relief (without the need to post any bond or other security) to enforce the terms of the CIPA in whole or in part and to prevent any breach or threatened breach of any of those Sections.

I also agree that Plivo's failure to exercise any rights over the Inventions as contemplated herein within a period of one (1) year from the date of the assignment as referred to under this Agreement shall not cause the assignment of any rights, as applicable, to lapse and I expressly waive the application of Section 19(4) of the Indian Copyright Act, 1957.
   d. **Maintenance of Records**. I agree to keep and maintain adequate and current written records of all Company Inventions made or conceived by me (solely or jointly with others) during the term of the Relationship. records or data from Plivo's place of business and/or the laptop and other equipment provided to me by Plivo, except as expressly permitted by Plivo policy which may, from time to time, be revised at the sole election of Plivo for the purpose of furthering Plivo's business. I agree to deliver all such records (including any copies thereof) to Plivo at the time of termination of the Relationship as provided for in Sections 5 and 6.

e. **Further Cooperation**. I agree to assist Plivo, or its designee, at its expense, in every proper way to secure Plivo's, or its designee, rights in Plivo Inventions and any copyrights, patents, trademarks, mask work rights, Moral Rights, or other intellectual property rights relating thereto in any and all countries, including the disclosure to Plivo or its designee of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments, recordation, and all other instruments which Plivo or its designee shall deem necessary in order to apply for, obtain, maintain and transfer such rights, or if not transferable, waive and agree not to enforce any and all such rights, and in order to assign and convey to Plivo or its designee, and any successors, assigns and nominees the sole and exclusive right, title and interest in and to such Company Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or papers shall continue during and at all times after the end of the Relationship and until the expiration of the last such intellectual property right to expire in any country of the world.

5. **Plivo Property; Returning Plivo Documents**. I acknowledge and agree that I have no expectation of privacy with respect to Plivo's telecommunications, networking or information processing systems (including, without limitation, files, e-mail messages, and voice messages) and that my activity and any files or messages on or using any of those systems may be monitored or reviewed at any time without notice. I further agree that any property situated on Plivo's premises and owned by Plivo, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Plivo personnel at any time with or without notice. I agree that, at the time of termination of the Relationship or at the request of Plivo, I will deliver to Plivo (and will not keep in my possession, delete, recreate or deliver to anyone else) any and all Confidential Information, Inventions, devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, materials, flow charts, equipment, other documents or property, or reproductions of any of the aforementioned items developed by me pursuant to the Relationship or otherwise belonging to Plivo, its successors or assigns. I undertake that I will not without proper instructions delete any Confidential Information or Plivo data.

6. **Termination Certification**. In the event of the termination of the Relationship, I agree to sign and deliver the "Termination Certification" attached hereto as Exhibit A; however, my failure to sign and deliver the Termination Certification shall in no way diminish my continuing obligations under this Agreement.

7. **Notice to Third Parties**. I agree that during the periods of time during which I am restricted in taking certain actions by the terms of this Agreement (the "Restriction Period"), I shall inform any entity or person with whom I may seek to enter into a business relationship (whether as an owner, employee, independent contractor, or otherwise) of my contractual obligations under this Agreement. I also understand and agree that Plivo may, with or without prior notice to me and during or after the term of the Relationship, notify third parties of my agreements and obligations under this Agreement. I further agree that, upon written request by Plivo, I will respond to Plivo in writing regarding the status of my employment or proposed employment with any party during the Restriction Period.

I agree that during the term of the Relationship, and for a period of twenty four (24) months immediately following the termination of the Relationship for any reason, whether with or without cause, I shall not, directly or indirectly, solicit, induce, recruit or encourage any of Plivo's employees or consultants to terminate their relationship with Plivo, or attempt to solicit, induce, recruit, encourage or take away employees or consultants of Plivo, either for myself or for any other person or entity.

b. **Other Parties**. I agree that during the term of the Relationship, I will not negatively influence any of Plivo's clients, licensors, licensees or customers from purchasing Plivo products or services or solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of Plivo.

c. In addition, I acknowledge that Plivo has valuable Trade Secrets (as defined by applicable law from time to time) to which I will have access during the term of the Relationship. Thereafter, Plivo intends to vigorously pursue its rights under applicable Trade Secrets law as the circumstances warrant.

9. Representations and Covenants

a. **Facilitation of Agreement**. I agree to execute promptly, both during and after the end of the Relationship, any proper oath, and to verify any proper document, required to carry out the terms of this Agreement, upon Plivo's written request to do so.

b. **No Conflicts**. I represent that my performance of all the terms of this Agreement does not and will not breach any agreement I have entered into, or will enter into, with any third party, including without limitation any agreement to keep in confidence proprietary information or materials acquired by me in confidence or in trust prior to or during the Relationship. I will not disclose to Plivo or use any inventions, confidential or non-public proprietary information or material belonging to any previous client, employer or any other party. 10. Electronic Delivery. Nothing herein is intended to imply a right to participate in any of Plivo's equity incentive plans, however, if I do participate in such plan(s), Plivo may, in its sole discretion, decide to deliver any documents related to my participation in Plivo's equity incentive plan(s) by electronic means or to request my consent to participate in such plan(s) by electronic means. I hereby consent to receive such documents by electronic delivery and agree, if applicable, to participate in such plan(s) through an on- line or electronic system established and maintained by Plivo or a third party designated by Plivo.

11. Miscellaneous.

a. **Governing Law**. This Agreement shall be subject to the laws of India. The courts in Bangalore, India, shall have exclusive jurisdiction to try any disputes in relation to this Agreement and any consequent matters.

Should a court of competent jurisdiction determine that the scope of the covenants contained in Section 8 exceeds the maximum restrictiveness such court deems reasonable and enforceable, the parties intend that the court should reform, modify and enforce the provision to such narrower scope as it determines to be reasonable and enforceable under the circumstances existing at that time.

c. **Remedies**. I acknowledge and agree that violation of this Agreement by me may cause Plivo irreparable harm, and therefore I agree that Plivo will be entitled to seek extraordinary relief in court, including, but not limited to, temporary restraining orders, preliminary injunctions and permanent injunctions without the necessity of posting a bond or other security, in addition to and without prejudice to any other rights or remedies that Plivo may have for a breach of this Agreement.
