## **REPORT**

**"Sustainable Transport for a Better Tomorrow: A Vision of the Future" and Pre-placement talk by Kibbcom on 2nd May 2023.**

the "ಅವೆಷಣೆ" Club of the Department of Computer Science and Engineering, School of Engineering, Dayananda Sagar University conducted a Tech Talk on "Sustainable Transport for a Better Tomorrow: A Vision of the Future" on 2nd May 2023. Session was taken by Patrick Lindergren, Co-founder and CTO-Vialumina, Sweden and team. The session was followed by a Pre-placement talk by the Kibbcom team. The event was proposed by one of our Alumni Mr. Vikas working in Kibbcom.

Student coordinator Bhagyalakshmi Kulkarni welcomed all the dignitaries and participants to the event.

Around 70 students and Faculty members attended the event. Tech Talk on "Sustainable Transport for a Better Tomorrow: A Vision of the Future" by Patrick Lindergren was very informative. Resource persons of the talk stressed on how to achieve a more sustainable transport system and on the importance of prioritizing investments in infrastructure and technology that support these modes of transportation.

Pre-placement talk by the Kibbcom team started with an introduction to the company and its history, including when it was founded, its growth over time, and its current position in the market. The presentation provided an overview of the company's culture, including its work environment, employee benefits, and opportunities for professional growth and development. Team communicated to students about the company's

recruitment process, including how to apply for a job, what types of positions are available, and what qualities the company is looking for in its candidates. They also stressed on what are the important technologies the students must be well equipped for the placement.

Finally, Quiz was conducted and prizes were distributed to all winners by the Kibbcom team. Participants gave an excellent feedback for the event.

Student coordinator Bhagyalakshmi Kulkarni, thanked the management of DSI, Dean Dr. A Srinivas, Chairman Girisha G S for all his support, Chairmans of the various departments, faculty coordinators and all the participants for the great support and guidance, cooperation and participation leading to grand success.
