Brief description of Event with Photographs/snapshots:

The seventh event, titled "A Webinar on "Exclusive Prospects of Career Counseling and Innovative Abroad Educational Programs" by Texas Review," took place on February 11, 2023, from 2:30 to 4:00 pm. The event was hosted online, and the speaker from "Texas Review" was invited to speak. Ms. Anjana Jain was the speaker and focused on why education is important abroad, requirements to study abroad, and international test details like the GRE, GMAT, IELTS, and TOEFL. She also discussed career opportunities and scholarship details.

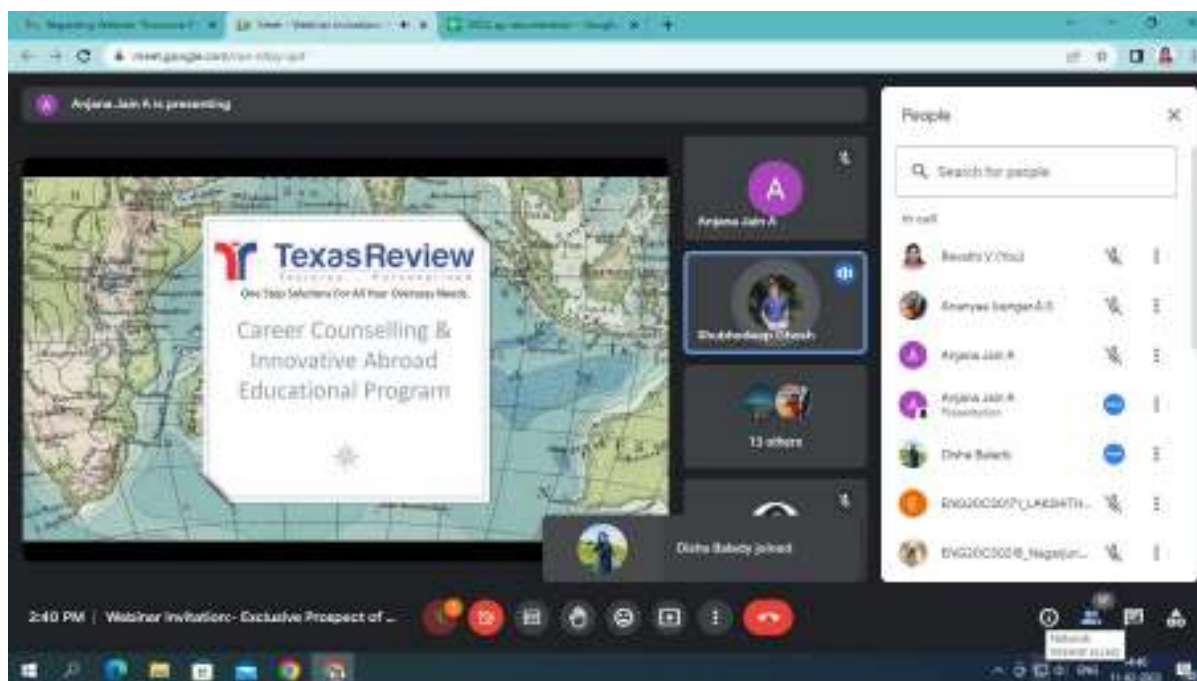

The students were motivated to start their preparations for GRE and GMAT as they would only benefit them in the future and provide a different direction from the ones they were focusing on.

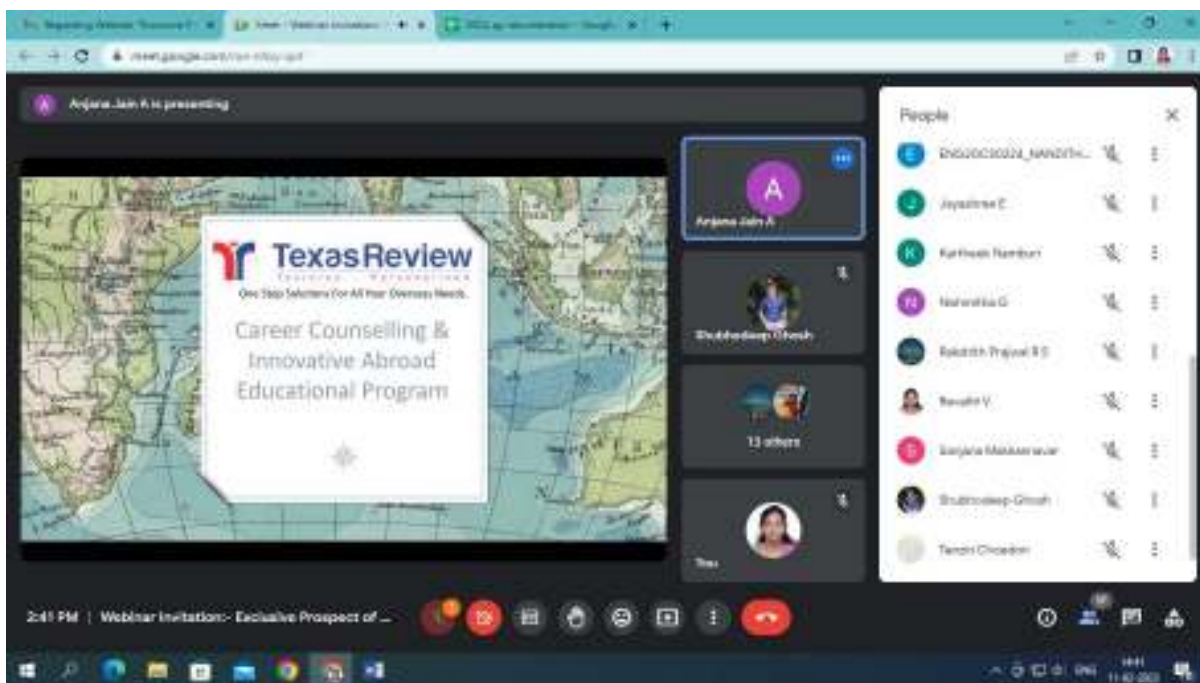

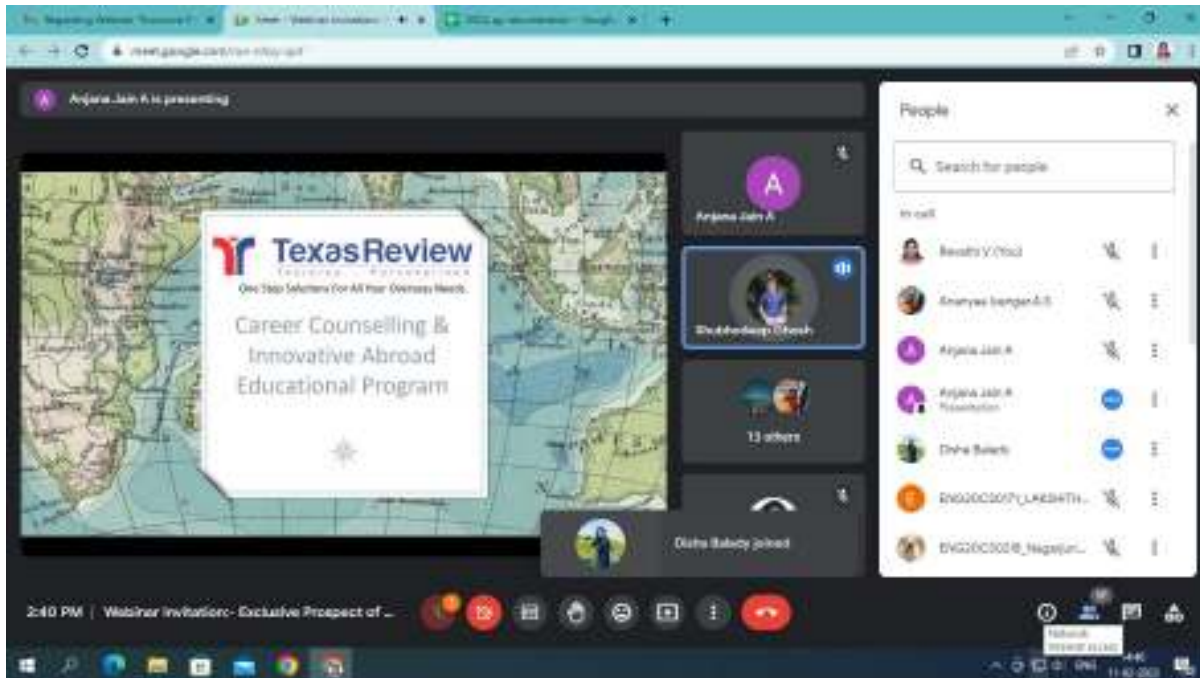

About 50 people attended the programme, which was participatory and allowed many students to ask questions and cleared their doubts. The participants were really engaged in the webinar, making the entire event a success.
