Brief description of Event with Photographs/snapshots

The fifth event was titled “Top 3 Careers to pursue after Engineering” which was held on 14th October 2022 from 2:00 pm to 4:00 pm. The event was hosted offline at S204, B Block , Dayananda Sagar University, Bangalore and the speaker from “The Gate Academy” was Invited to speak. Mr. Sandeep Andari was the speaker and focused on how there are abundant opportunities for engineers with GATE. Mr Sameer and focused on Management Education and discussed about competitive exam like GRE, GMAT.

The students were encouraged to start their preparations for GATE , GRE and GMAT as they would only benefit them in the future and provide a different direction from the ones they were focussing on. It also adds more weight if the GATE rank and score is added in one’s resume in the Corporate world.

There were about 90 attendees in attendance for the event and it was an interactive session where many students raised their questions and cleared their doubts regarding the talk. This entire event was deemed successful with majority participation from the attendees.
