

The Career Trajectory Club

The Career Club has organized a total of 4 events. The events were held in various categories with a similar motive, Help students build their career.

Career building is a very vague topic which is why we organized events which can help students establish a clear goal, hence helping them pursue their dream career.

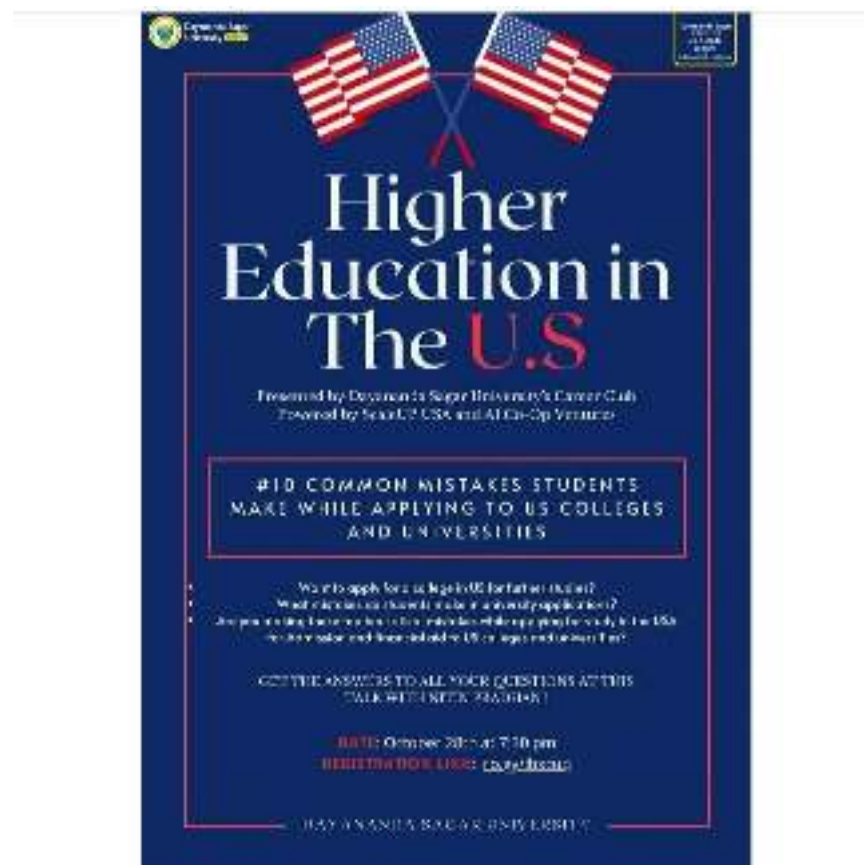

1. Higher Education in the US

The first event was held by the Career Club on 28th October 2020. The highlight of the event was 10 common mistakes students make while applying to colleges and universities.

We partnered up with **ScaleUP USA, AI Co-op ventures** for the event. The CEO and founder of the company, **Mr. Nitin Pradhan** was the speaker of the event.

He gave a deep insight on how a student can improve their chances of getting selected into their dream universities and also provided them with a course to help them further improve their chances of doing so.

The Event was held online on Zoom, with an approx audience of 150 people. Audience included people from various colleges all throughout bangalore.

2. Study in the USA

The motive of this event was to introduce students on how they can apply to universities in a much more effective method. Our speaker **Mr. Nitin Pradhan** gave various examples to show students that studying in the US can not only be a dream but also a very satisfying reality.

The Event was held online on Zoom on 4th February, with an approx audience of 200 people. Audience included people from multiple countries including, the US, Bangladesh, Nepal etc.

3. Career Opportunities for Engineers with GATE

The third Event was titled “Career Opportunities for Engineers with GATE” which was held on 10th July 2021 from 2:00PM to 3:30PM. The event was hosted on the Zoon Platform and the speaker from “The Gate Academy” was Invited to speak. **Mr. Vijay Agarwal** was the speaker and focused on how there are abundant opportunities for engineers with GATE.

The students were encouraged to start their preparations for GATE as they would only benefit them in the future and provide a different direction from the ones they were focussing on. It also adds more weight if the GATE rank and score is added in one’s resume in the Corporate world.

There were about 150 attendees in attendance for the event and it was an interactive session where many students raised their questions and cleared their doubts regarding the talk. All in all this event was deemed successful with majority participation from the attendees.

4. The Military Journey

The fourth event of our club focused on a different career path entirely. It covered a career in Defense. The talk was titled “The Military Journey” which focuses on how students can aspire to dream of joining the Defense sector and have a successful career.

This talk was held on 17th July 2021 from 2:00PM to 3:30 PM. The speaker Invited to talk was “**Col. Retd. Ranjit Chitale**” who discussed the different aspects in that line of career. He also encouraged students to think outside the box and take up the examinations that would help them enroll in the Military.

There were about 150 - 200 students who attended this talk and in the end of the talk there was an interactive Question & Answer session where many students came forward with doubts and issues regarding this new career direction.
