School of Engineering

Bangalore – 560068, Karnataka, India

Report on

Workshop on: “Research Methodology and Paper Writing”

Target audience 5th Semester students of Computer science and Technology

The Department of Computer Science & Technology has organized a Workshop on “Research Methodology and Paper Writing” on 14th September 2023. Students successfully completed the value-added course.

Resource Person: Dr.M.Shahina Parveen, Chairperson & Professor, CST, DSU.

Students are able to understand the

- ✓ Provide participants with a comprehensive understanding of the fundamental concepts of research.
- ✓ Help participants master the art of scholarly paper writing, focusing on clear organization, proper citation and referencing, and effective communication of research findings.
- ✓ Enable participants to critically evaluate research studies, identifying strengths and weaknesses in research designs, methodologies, and data analysis techniques.

A total of **51** students registered for this workshop and completed the workshop successfully.

We have received a very good response from the students.

Prof.M.Chithambarathanu, Assistant Professor CST have organized this course.

Workshop on
"Research Methodology and Paper Writing"
TARGET AUDIENCE: 5 TH SEM CST STUDENTS

Objectives of the Workshop

1. Provide participants with a comprehensive understanding of the fundamental concepts of research.
2. Help participants master the art of scholarly paper writing, focusing on clear organization, proper citation and referencing, and effective communication of research findings.
3. Enable participants to critically evaluate research studies, identifying strengths and weaknesses in research designs, methodologies, and data analysis techniques.

 **RESOURCE PERSON**
Dr. M Shahina Parveen
Professor & Chairperson

Outcomes of the Workshop

1. Develop clear and relevant research questions or hypotheses that guide the research process.
2. Create detailed research study designs, including data collection plans and research timelines.
3. Draft high-quality research papers that adhere to academic writing standards and include proper citation and referencing.

DATE : 14th September 2023
TIME : 2 TO 4 PM
VENUE : OFFLINE 'B' BLOCK GOI6

Feedback:

Feedback for the workshop on "**Research Methodology and Paper Writing**" was gathered from students using Google Forms. Students were encouraged to provide their insights on various aspects of the workshop, including content, overall satisfaction, effectiveness of the session in achieving its stated objectives and presentation by resource person. Overall, the feedback reflects that the objectives of the workshop were met, and participants gained valuable insights into the Research Methodology and Paper Writing.

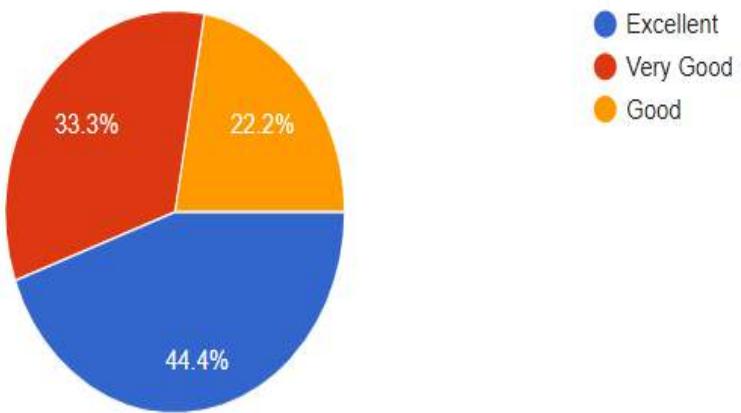

Please rate the overall quality of the workshop content.

36 responses

Did you understand framing of problem statement?

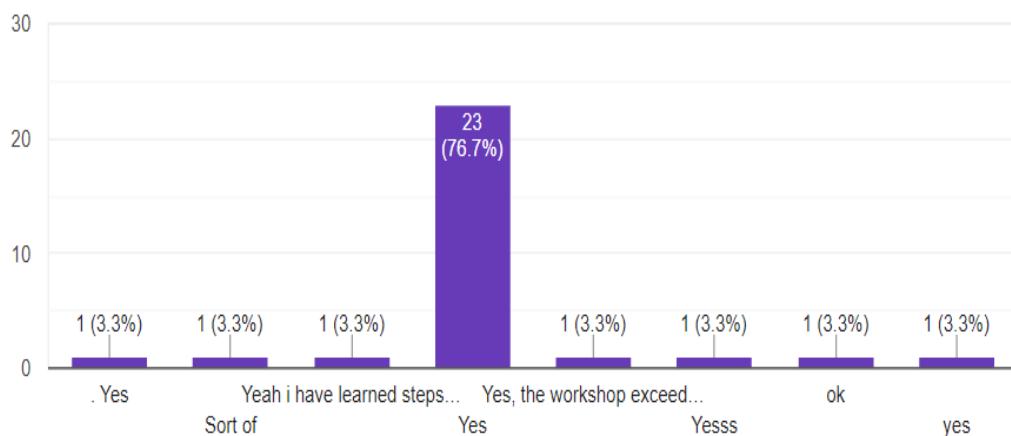

36 responses

Did the workshop meet your expectations regarding research paper writing?

30 responses

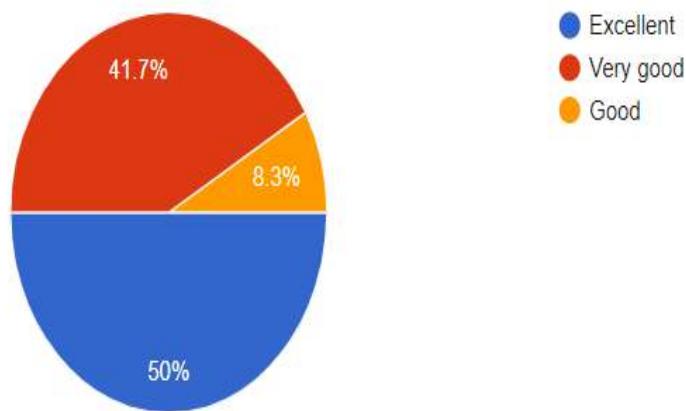

Was the session interactive and hands-on?

36 responses

How do you rate the essence of research and it's importance discussed in the workshop?

36 responses

Conclusion:

In summary, workshop on "**Research Methodology and Paper Writing**" provided students with an opportunity to learn the clear and relevant research questions or hypotheses that guide the research process. Create detailed research study designs, including data collection plans and research timelines. Draft high-quality research papers that adhere to academic writing standards and include proper citation and referencing. This workshop building exercise will sure help our students for their career betterment.
