The Department of Computer Science & Technology conducted orientation sessions for 3rd semester students on 20th September 2023. The session started with the address by the chairperson, Dr M Shahina Parveen, where she welcomed the 3rd semester students to the department. She gave complete insight about the academics, placements, technical and non-technical events and syllabus course outcomes. She also mentioned the department and involvement of the students in the departmental activities and also the importance of the curriculum, informed about university regulations, DO'S and DON'TS.

Lastly, the orientation ended up with the general information about the semester and the Course objectives and outcomes and course handling faculties, how the entire semester would be working and so on by the class advisor, Prof Ramandeep Kaur.

A few photos taken during the session are here:
