

Faculty Profile

Name : Abhishek Kumar Jaiswal

Designation : Assistant Professor

Department : Computer Science and Engineering (Cyber Security)

Qualification: M.Tech in Computer Science and Engineering (Information Security), B.Tech in Computer Science and Engineering

Short Biography

Abhishek Kumar Jaiswal is currently working as an Assistant Professor in the Department of Computer Science and Engineering(Cyber Security) at Dayananda Sagar University (DSU), Bengaluru, India. He completed his M.Tech in Computer Science (Information Security) from Dr. B. R. Ambedkar National Institute of Technology (NIT) Jalandhar, India, and his B.Tech in Computer Science and Engineering from SRM University Delhi-NCR, Sonapat, Haryana, India.

His research interests lie in the broad area of Cyber Security and Information Security, with a focus on Network Security, Cloud Security, Digital Forensics, Applied Cryptography, Malware Analysis, Vulnerability Assessment and Penetration Testing (VAPT), Threat Intelligence, Intrusion Detection Systems, Secure Software Engineering, Cyber Deception Technologies, Privacy-Preserving Systems, and AI-driven Cyber Defense.

He was awarded the IndiaAI Fellowship (Government of India) and has authored research papers in the areas of Cyber Security, Network Security, Artificial Intelligence, and Information Security.

Research Interests

- Digital Forensics
- Cryptography
- Network Security
- Malware Analysis
- Vulnerability Assessment and Penetration Testing (VAPT)

- Intrusion Detection and Prevention Systems
- Artificial Intelligence and Machine Learning
