Students at the event (TIFAN -2019)

Receiving the award

SAE TIFAN -2019

About SAE-DSU

SAEINDIA founded in 1994, is an affiliated society of SAE International, registered as an Indian non-profit engineering and scientific society dedicated to the advancement of mobility community in India.

DSU -SAE student collegiate club is hosted by Department of Mechanical Engineering. Club consists of seventy seven students from different semesters of Mechanical Engineering. DSU- SAE participates in various activities conducted by SAE- India. Our students received first prize for marketing in 2019 version of "Technology Innovation Forum for Agricultural Nurturing" (TIFAN-2019). For the current year students have cleared the virtual round and preparing for final event.
