

## MBA - Faculty Profile

**Anurag Jalan**  
Professor of Practice  
SCMS-PG DSU

### Brief Profile

Professor Anurag Jalan brings over three decades of experience across family business, technology entrepreneurship, corporate leadership, consulting, and academia to his role as **Professor of Practice in Finance, Economics & Business Law**. His teaching philosophy bridges timeless foundations with contemporary application, preparing students with both conceptual clarity and workplace readiness. He also offers electives such as *Security Analysis & Portfolio Management* and *Entrepreneurial Finance*, and is well known for coaching students in **quantitative aptitude and problem-solving** to help them succeed in interviews and placements.

Before entering academia, Professor Anurag Jalan spent two decades in the internet and telecom domain, including eight years as an entrepreneur. His career highlights include **leading global SaaS operations at Mobileum Inc.**, contributing to **India's telecom revolution with Reliance Infocomm**, and founding ventures at the intersection of technology, strategy, and innovation. Managing small businesses gave him hands-on exposure to finance, operations, and execution — insights that now enrich his **case-based, experiential teaching**.

A **CFA charter holder**, he holds a **B.Tech. from IIT Bombay** and has completed the **Advanced Management Program at IIM Bangalore**. Schooled at **St. Xavier's, Calcutta**, he also works as a **certified OKR coach**, helping organisations align strategy and execution.

### Teaching

- Security Analysis & Portfolio Management, Entrepreneurial Finance, Financial Management, Business Law, Business Economics & Policy.
