

MBA - Faculty Profile

Prof Amit K Sinha

B.Tech, MBA
Adjunct Professor
SCMS-PG DSU

Brief Profile

Prof. Amit K. Sinha brings over 19 years of leadership experience in the fields of Data, Analytics, and Artificial Intelligence (AI). He has successfully spearheaded large-scale AI, Data, and Analytics initiatives for leading organizations across India and the USA, including government agencies, top retail banks, global insurance companies, manufacturing leaders, and renewable energy providers. Known for his ability to translate cutting-edge technology into high-impact business outcomes, he has consistently delivered transformative programs across diverse sectors.

He holds an engineering degree in computer science from BMS College of Engineering, Bangalore and MBA from DoMS, IIT Madras. He has further strengthened his expertise in policy and technology leadership through the Executive Program in Public Policy Management at IIM Calcutta. Beyond his corporate leadership roles, he is also an entrepreneur, running an AI-driven start-up dedicated to delivering engaging and interactive educational content for school children. His professional interests lie at the intersection of AI, technology strategy, and public policy, with a strong focus on driving innovation for societal impact.

Teaching

- Artificial Intelligence Fundamentals, Predictive Analytics, Deep Learning
