Dr. Sujitha M., M.Sc (N), Ph.D (N), is an experienced academician and researcher with a deep specialization in pediatric and mental health nursing. Currently serving as an Assistant Professor in the Department of Mental Health Nursing at Dayananda Sagar University, she has extensive experience in teaching, research, and clinical practice.

Dr. Sujitha's academic journey began with a B.Sc. in Nursing, followed by an M.Sc. in Psychiatric Nursing, and culminated in a Ph.D.(full time) in Child Psychiatry from JIPMER, Puducherry. She is adept in areas such as clinical trials, SPSS-based data analysis, and behavior therapy for children with Autism Spectrum Disorder (ASD). Dr. Sujitha is also passionate about inclusive education, school readiness, and emotional intelligence in nursing care.
