I am Ms. Sabina Christina J.L , 40 years old from Bangalore. I hold a PhD pursuing degree in Nursing from Dayananda Sagar University. Currently, I am working as a Asst professor at Dayananda Sagar University, where I have honed my skills in Training , Educating and Mentoring Students and helping them to be independent at Clinical Side and Community area.

I thrive on new challenges and continuously seek opportunities to grow both personally and professionally. I believe vitally in maintaining harmonious relationships and a productive work environment. I am also actively involved in Volunteer Work/Community Service, as giving back to the community is something I deeply value.
