I hold an MSc in Nursing and currently serve as a tutor at College of Nursing Sciences, DayanadaSagar University, with a strong passion for clinical practice and research. My focus is on integrating evidence-based practices into patient care and advancing nursing knowledge. I actively engage in research to improve healthcare outcomes. Committed to lifelong learning, I strive to contribute to the field of nursing through innovation and dedication.

Conference papers:

1 Poster presentation on Adopted Lifestyle Interventions on QOL among Osteoarthritis Clients
