The College of Pharmaceutical Sciences, Dayananda Sagar University organized “CIL Soft-skill Training on 29th May 2023 from 09:00 AM- 04:00 PM at CD Sagar Building. The speaker for the Event was Vishwas MP, Freelance Soft Skills & Behavioral trainer/ Associate Skills Trainer. The training session aimed to enhance the participants' aptitude, technical skills, communication skills, and overall personality development. It involved a variety of activities and components designed to facilitate learning and growth. These activities included discussions, role-playing exercises, self-assessment, and feedback sessions. The participants were encouraged to actively apply their learning to real-life scenarios, equipping them with practical strategies and techniques to excel both personally and professionally. The CIL Coordinator, Mrs. Praveena S deserves thanks for coordinating such an impactful session. We also thank, Mrs. Dhanashree, faculty coordinator from COPS.
