Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase -I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	334	3932		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Thanks & Regards,

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor. The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase -I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
Total		**1350**	**6300**	334	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase -I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	334	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Thanks & Regards.

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase -I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
Total		**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II. under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase –I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase –I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase -I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Thanks & Regards,

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase –I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
Total		**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

This introduction to robotics offers a distinct and unified perspective of the mechanics, planning and control of robots. Ideal self-learning, or for courses, as it assumes only freshman-level physics, ordinary differential equations, linear algebra and a little bit of computing background. Modern Robotics presents the state-of-the-art, screw-theoretic techniques capturing the most salient physical features of a robot in an intuitive geometrical way. With numerous exercises at the end of each chapt accompanying software written to reinforce the concepts in the book and video lectures aimed at changing the classroom experience, this is the go-to textbook for learning about this fascinating subject.

Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase –I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase –I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.

To: "premachandra.sagar" <premachandra.sagar@yahoo.com>

Respected Sir,

Request to kindly note that the following details of books have been recommended for procurement with the approval of Hon'ble Vice Chancellor, The Registrar and the Dean.
These books are for B.Tech - Engineering UG Program in accordance with the requirements of AICTE Norms.

SL. No.	Vendor	As per AICTE Norms Books Required (UG&PG)		No. of Titles	No. of Volumes (Phase –I)	Maximum Discount %	Amount	Balance Phase II Procurement
		Titles	Vol.					
01	M/s. Book Paradise	1350	6300	101	1237	15 to 30%	14,72,628.00	2368
02	M/s. Campus Book House			156	1912	15 to 30%	16,69,502.00	
03	M/s. Sapna Book House Pvt. Ltd			77	783	20%	6,19,462.00	
	Total	**1350**	**6300**	**334**	**3932**		**37,61,592.00**	**2368**
(Rupees thirty-seven lakhs sixty-one thousand five hundred and ninety-two only)								
Ref: Annexure-IV for permitting in procuring of books which cost is within of Rs. 5,000/- supporting documents is attached.								

Justification for procuring of Standard Publication Engineering Books:

- As per the AICTE norms 6,300 volumes of books to be procured for the year 2023-24, in the name of School of Engineering
- We have calculated this figure on the basis of No. of students admitted and divisions created.
- In the previous NAAC committee members suggested to procure **standard publication books** only.
- As per the directions of the Vice Chancellor and Dean-SOE, collected Book Indent from the Department Heads and accordingly collected quotations from the regular book suppliers.
- **The proposed amount of Rs. 37,61,592/- is covered 3,932 volumes of books.** These proposed books are thoroughly verified by the Dean, SOE.
- The balance 2,368 books are going to be procured in Phase-II, under eBooks procurement proposal.
- As per our experience vendors will not supply 100% Placed Ordered books. So, the budget for procuring print books will come down. I request your good self in sanction of Rs.30,00,000/- for procuring standard print books for the year 2023-24.
