Date: 21.04.2021

To  
Dr. Sreenivasa Rao Amaraneni  
Associate Professor,  
Chemistry Department,  
School of Engineering, DSU

**Sub: Approval & Sanction of Seed Money Grant**

Dear Dr. Sreenivasa Rao Amaraneni,

This has reference to the Project proposal entitled , 'Studies On The Human Serum Albumin Protein Interaction With Organophosphorus Pesticides By Biophysical Techniques And Molecular Docking: An Identification Of Possible Binding Site And Toxicity Of Pesticides' that you submitted to the University and which was subsequently approved in March 2021.

The following are the details:

- Dr. Sreenivasa Rao Amaraneni, Associate Professor, Chemistry Department, School of Engineering, DSU is the Principal Investigator.
- The Seed Money amount approved is for INR 50,000.
- Duration of the approved project: 1(one) Year.
- Interim Report to be submitted by June 2021.
- Submit the final report by January 2022 along with draft research project.
- Other deliverable is paper publication in an indexed journal.
- Appropriate Statement of Accounts to be maintained as per directive of the University.
- The project team will abide by the Rules & Regulations of the University for administration of the aforesaid project.

Yours Sincerely,

  
Registrar  
21/4/21
