To
Dr. Aneesa Fasim,
Assistant Professor,
School of Basic & Applied Sciences,
DSU

Sub: Approval & Sanction of Seed Money Grant

Dear Dr. Aneesa Fasim,

This has reference to the Project proposal entitled, 'Isolation And Bioengineering Of Gamma-Gtase for Production of Industrially Important Gamma Cyclodextrins' that you submitted to the University and which was subsequently approved in March 2021.

The following are the details:

- Dr. Aneesa Fasim, Asst. Professor, School of Basic & Applied Sciences, DSU is the Principal Investigator.
- The Seed Money amount approved is for INR 1,00,000/-.
- Duration of the approved project: 1 (one) Year.
- Interim Report to be submitted by June 2021.
- Submit the final report by January 2022 along with the draft research project.
- Other deliverable is paper publication in an indexed journal.
- Appropriate Statement of Accounts to be maintained as per directive of the University.
- The project team will abide by the Rules & Regulations of the University for administration of the aforesaid project.

Yours Sincerely,

Registrar
