Guest Talk on “Patent Filing Strategies – Academic Perspectives”

Date: 03-11-2022

Brief report of the event –

Dr.R.B. Umamaheshwari, Intellectual Property Right Consultant speaker emphasized on Intellectual property right (IPR) refers to the legal rights given to the inventor or creator to protect his/her invention or creation for a certain period of time. It is very well settled that IP plays a vital role in the modern economy. There has been a quantum jump in research and development costs with an associated jump in investments required for putting new technology in the market place.
